

The City of

Alliance, OHIO, 44601-2415

"The Carnation City"

504 EAST MAIN STREET

MINUTES FOR THE STREETS AND ALLEYS COMMITTEE

APRIL 19, 2024 – 8:00 a.m.

Attendance: Kris Bugara (Committee Chair), Jim Edwards (Committee Member), Vince Mueser (City Engineer), Mike Dreger (Safety Service Director), John Bertolini (Superintendent, Street Department), Kevin Knowles (Auditor)

Meeting was called to order at 8:00am

Meeting was called to discuss adding roads to the 2024 paving Schedule, discussing proposed bike routes by the Green Commission and any other business that should come before the committee.

Chuck McClaugherty attended and spoke on the proposed bike routes the Green Commission would like to see throughout the city in conjunction with the Iron Horse Trail. We discussed getting an ordinance on the books so we can start to look for grants to help fund the project. Per Auditor Knowles, there are grants available to fund these types of projects.

We also agreed upon adding 2 more roads to the paving schedule due to the quote coming in under our budget. We are adding Brayton from State St. to the dead end and Parkway from Parkside to Glamorgan.

Updated paving list for 2024 is included.

Meeting was adjourned at 9:00am

Kristopher R Bugara
Committee Chair
