

Alliance Shade Tree Commission and Committee Meeting
Minutes May 29, 2019

Members present – Barrie Kridler, Barry Nichols, Arnie Hirvela, Joe Mazzola, Kathryn Miller,
Mayor Andreani, Leigh Mainwaring and Frank Woolf

Treasurers Report - \$2889.10 left in GAF, all bills have been paid

The Mayor reported that work has begun on the Iron Horse Trail thru the city. Stark Parks is managing the project and they will have rangers patrolling the trail when it is completed.

Lamar Sign asked about removing or trimming some trees blocking their signs. The consensus was to allow them some trimming/removal if they pay for new trees elsewhere.

The Mayor announced that all fire hydrants will be painted by various volunteer groups.

Union Avenue will be paved from Columbia to College next year. Most curb lawn trees will be replaced and decorative light poles added.

The city is behind on mowing vacant lots due to weather.

Projects for 2019 include the Athena tree, replace trees at City Cemetery, and add trees along the Iron Horse Trail. Trees will be planted on the Cambridge Islands if the Parks approve.

Meeting adjourned at 8:25 am

Respectfully submitted,

Arnie Hirvela, Secretary

Next meeting at 7:30 am Wednesday, June 26, 2019 at Don Pancho's Restaurant
