J. W. Penick
L. E. Grubb

The report of the Committee was agreed to.

City
Engineer;
Matter of
legisla-
tion for
street
improve-
ments for
coming year.

The City Engineer addressed Council suggesting that it would be well to take up the subject of legislation for such paving and street improvement work as the council might expect to do the coming year. He mentioned such streets as South Linden Avenue, East Main Street from Mechanic Avenue to Union Avenue, South Arch Avenue and East Market Street, all of which are in need of repaving. By advertising for the work early in the season it is possible to get the work done at a lower price than when the start is delayed until the contractors have work sufficient to keep them busy.

Committee
work during
session.

President Barnard admonished the members of Council for waiting until council is in session to do committee work that should be given attention prior to the opening of the meetings.

Parks &
Playgrounds.

Some time was spent in discussion of the matter of parks and playgrounds proposition.

Property
owners
paying for
publication
of ordinances.

Max Geiger addressed Council regarding a recent motion passed whereby it was decided that the expense of the legal publication of the ordinances for replatting land should be borne by the property owners.
