

An Ordinance to assess a special tax for the construction of Lateral Sanitary Sewers numbers 6, 9, 19, 20, 14, 43, 44 and 28.

Be it ordained and enacted by the Council of the City of Alliance, Ohio, as follows:

Section 1. That to pay the cost and expense of extending the present sewer system of the City of Alliance, Ohio, by the construction of Lateral Sanitary Sewers described as follows to wit:-

Lateral Sanitary Sewer No. 6 - Commencing at the inside of a manhole on ^{Main} Lateral Sewer No. 3, as the same is now constructed at the intersection of Mechanic Avenue and Ely street; thence west along the center of Ely street to the east line of the Rockhill Road.

Lateral Sanitary Sewer No. 9 - Commencing at the inside of a manhole on Lateral Sewer No. 9, as the same is now constructed in west Main street, at the west line of Union Avenue; thence west along the center of said west Main street to the east line of the Rockhill Road.

Lateral Sanitary Sewer No. 19 - Commencing at the inside of a manhole on Lateral Sewer No. 19, as the same is now constructed, at the intersection of the first alley north of and parallel with Cambridge street, with the first alley west of and parallel with Freedom Avenue; thence south in the first alley west of and parallel with Freedom Avenue to the south line of Grant street.

Lateral Sanitary Sewer No. 20 - Commencing at the inside of a manhole on Lateral sewer No. 20, as the same is now constructed, at the intersection of the first alley north of and parallel with Cambridge street, with the first alley east of and parallel with Freedom Avenue; thence south along the first alley east of and parallel to Freedom Avenue to the south line of Grant street.

Lateral Sanitary Sewer No. 14 - Commencing at the inside of a manhole on Lateral Sewer No. 12, as the same is now constructed, at the intersection of the first alley north of and parallel with Oxford street, with the first alley west of and parallel with Arch Avenue; thence west in the first alley north of and parallel with Oxford street to the center of Mechanic Avenue; thence south along the center line of Mechanic Avenue to the first alley south of and parallel with Oxford street; thence west in the first alley south of and parallel with Oxford street to the first alley west of and parallel with Mechanic Avenue; thence south along the first alley west of and parallel with Mechanic Avenue to the first alley south of and parallel with Cambridge street; thence west along the first alley south of and parallel with Cambridge street to the first alley west of and parallel with Mechanic Avenue; thence

south along the first alley west of and parallel with Mechanic Avenue to the center of Grant street; thence east along the center of Grant street to the east line of lots No 1720 on the south side of Grant street, and No 1721 on the north side of East Grant street.

Lateral Sanitary Sewer No. 43- Commencing at the inside of a manhole on Lateral Sewer No. 12, as the same is now constructed, at the first alley south of and parallel with Oxford street, with the first alley west of and parallel with Arch Avenue; thence west along the first alley south of and parallel with Oxford street to the center of Mechanic Avenue; thence south along the center of Mechanic Avenue to a point One hundred (100) feet north of the north line of Grant street.

Lateral Sanitary Sewer No. 44- Commencing at the inside of a manhole on Lateral Sewer No. 14, as the same will be constructed under this Ordinance, at the intersection of the first alley west of and parallel with Mechanic Avenue, with Summit street; thence east along the center of Summit street to the east line of lots No 1782, on the south side of Summit street, and No. 1772, on the north side of Summit street.

Lateral Sanitary sewer No. 28- Commencing in the south end of Lateral Sanitary sewer No. 28, as the same is now constructed, at the intersection of the first alley east of and parallel to Liberty Avenue, with the first alley south of and parallel with Summit street; thence south along the center of the first alley east of and parallel to Liberty Avenue to the center of Milner street. In accordance with Ordinances heretofore passed by said Council for the construction of the same, and the estimates of the City Civil Engineer on file, there be levied and assessed upon each front foot of the lots and lands abutting upon said lateral sewers between the points aforesaid the sum of 75 cents. It being determined by Council and hereby declared that each of said lots and lands has been benefitted by said sewers on which they abut in an amount equal to the sum hereby assessed thereon. It is further declared by said Council that each and all of the lots and lands hereby assessed need local drainage and are not provided therewith, and the amount hereby assessed against each of said lots or lands does not exceed the amount which in the opinion of the Council, would be required to construct an Ordinary street sewer or drain of sufficient capacity to drain or sewer any of said lots or lands.

Section 2. That the owners of the lots and lands upon each front foot of which said sum is assessed, shall pay the amount of their said assessment to the City Clerk as follows:

Twenty five cents per front foot on March 15th 1902; Twenty five cents

per front foot on March 15th 1903 and Twenty five cents per front foot on March 15th 1904, or be subject to interest and penalty as provided by law; and in case of default of payment as herein provided, the Clerk is hereby directed to certify any unpaid assessments to the County Auditor, to be placed upon the tax duplicate for collection.

Section 3. That this Ordinance shall take effect and be in force from and after its passage and legal publication.

Passed March 3rd 1902.

An Ordinance Granting a franchise to The Stark Electric Railway Company to erect poles and string wire in the City of Alliance, Ohio, for the purpose of furnishing Electric light and power to the City of Alliance, Ohio, and the inhabitants thereof.

Be it ordained and enacted by the Council of the City of Alliance, Ohio, as follows:

Section 1. That authority is hereby given to The Stark Electric Railway Company to construct line for conducting electricity for power and light purposes through the streets, alleys, lanes, lands, squares and public places of said City by the erection of the necessary fixtures including posts, poles, pins and abutments necessary for the wires and to construct thereon water proof insulated wires and attach lamps thereto for the purpose of furnishing electric light and power to the City of Alliance, Ohio, and the inhabitants therein.

Section 2. That the franchise and privileges granted in the preceding section are granted upon the following terms and conditions, viz: said The Stark Electric Railway Company shall only occupy and use such portions of said streets, alleys, lands and public grounds for the purpose aforesaid as may be designated from time to time by said Council. That any and all pavements, sidewalks, crosswalks, curbstones, streets, alleys, lands, or other public lands or property disturbed or displaced or injured by said Company in the prosecution of its work as aforesaid, shall be immediately repaired at its own expense, and said Company shall leave said streets, alleys, lands and squares and other public property in as good condition or repair as said Company shall find them and on failure so to do said City shall have the right to do the same for said Company and at its expense; that before said Company can avail itself of any of the provisions of this Ordinance it shall execute and deliver to said City a bond in the sum of \$3,000.00, payable to said City of Alliance, conditioned that said Company shall prosecute its work in a safe and proper manner, comply with all the terms and conditions of this Ordinance and save said City harmless from any and all liability by reason of any negligence or want of care on the part of said Company in the construction or operation of any privileges under this Ordinance. That said bond shall be signed by said Company and sureties to be approved by this Council, and said Council may demand other and different bondsmen or sureties at such time as said Council may see fit.

Section 3. That this franchise may be revoked by this Council

whenever the said City of Alliance shall own an Electric Light Plant of its own or whenever in the opinion of said Council the provisions of this Ordinance are not complied with.

Section 4. That said Company, its successors and assigns shall not at any time sell, contract or otherwise dispose of the rights herein granted as to Electric light or Electric power in such a manner as to prevent it or them from furnishing the same to the City of Alliance or the inhabitants thereof as herein provided, under pain and penalty of forfeiting the unexpired portion of the franchise hereby granted at the election of the City Council, and this franchise shall be null and void upon the happenings of any such event at the election of the Council, as aforesaid.

Section 5. That this Ordinance shall take effect and be in force from and after its passage and legal publication, which publication shall be paid for by the said The Stark Electric Railway Company.

An ordinance granting to The Alliance Electric Railway Company, the right to construct and operate an additional track upon East Main Street from Liberty avenue to Arch avenue, and prescribing the manner, terms and conditions upon which the same shall be done.

Whereas, a majority of the property holders upon East Main Street between Liberty avenue and Arch avenue, represented by the feet front of the property abutting upon said street between said points, are consenting to the construction and use of double tracks by The Alliance Electric Railway Company, upon the part of its route on East Main Street between Liberty avenue and Arch Avenue and.

Whereas, said The Alliance Electric Railway Company desires permission to change the location of its present track, and to construct, maintain and operate an additional track so. as to have double tracks from said Liberty avenue to said Arch Avenue upon and along East Main Street in said city of Alliance, Ohio;

Now therefore be it ordained and enacted by the Council of the city of Alliance, Ohio as follows:

Section 1. That The Alliance Electric Railway Company its successors and assigns, be and the same are hereby authorized, empowered and granted the right to change the location of its present single track upon East Main Street and to construct, for its use in connection therewith, an additional track between Liberty Avenue and Arch Avenue in the manner and upon the terms and conditions following:

Section 2. That the location of the single track now upon said street, shall be so changed and the additional track herein provided for, shall be so constructed that said

tracks shall be laid equi-distant from the center line of the street at proper distance for the passage of cars and both of said tracks shall be of the gauge known as standard gauge, and no other, and shall be laid to the present surface grade of said street between the points named and should a change be hereafter made in the grade of such street, the person or company owning or controlling said tracks, shall make the same conform to such changed grade when ordered to do so by the City Council without receiving, or being entitled to receive, from said City any compensation or damages by reason of such change of grade.

Section 3. That the motive power to be used in propelling cars upon said line shall be electricity.

Section 4. That the right to construct said additional track and to operate said double tracks, shall include the right to erect poles and string trolley wires and such other wires and appliances as are proper and necessary for conducting the electric current for propelling cars and maintaining lights. Said poles shall be of iron and shall be placed near the center line of the street, and be so located as not to interfere with the ingress and egress of abutting property.

The standing committee on streets and alleys of the City Council, shall have power and authority to change the location of any of said poles, and they may be temporarily removed when necessary, when any improvement or repairs are being made by authority of the City Council. Said poles shall be painted when erected and shall be repainted from

from time to time as may be necessary.

The wires herein maintained, shall be provided with the latest improved appliances for the protection of life, and shall be so laid, placed and constructed as not to interfere in any manner with the wires and appliances of the City Fire Alarm System, Police Patrol System or any other wires, that may be hereafter used and controlled by the City of Alliance.

The person or company building or operating said double track shall comply with any and all rules and provisions that may be hereafter passed and adopted by the City Council touching the operation thereof.

Section 5. That at the time of building said tracks, the said company shall replace between the rails of such tracks and so much more as may be removed or disturbed in the construction of said tracks with the same material and in conformity with the same specifications as were originally used and adopted on said street.

Section 6. That the person or company building or operating said double tracks between the points above named, shall use a guard rail ^{four} inches in height.

Section 7. That the person or company operating said double tracks between the points named shall at all times hereafter defend, keep harmless and indemnify the city of Alliance, Ohio, from all damages, lawful claims and demands for injuries to persons or property and costs and expenses to which said City may be subjected or made liable by any proceedings at law or in equity, or otherwise, growing out of the granting of the privileges in this ordinance set forth or out of the exercise and enjoyment of the same, and shall be governed in all respects,

not herein particularly set forth, by the terms and conditions of the various ordinances heretofore passed, governing the construction, maintenance and operation of the street railway of said company so far as the same may now be in force and not in conflict with the provisions and terms of this ordinance, and said company, its successors and assigns, shall also have and enjoy all the rights, privileges and franchises upon said double tracks as have been conferred upon it by previous ordinances of said City of Alliance, Ohio for its single track system in said City of Alliance, O. and for the same period of time.

This ordinance shall take effect and be in force upon its passage and legal publication.

An ordinance Establishing a street railway route on Rockhill avenue from Vine street to Main street, and on Main street from Rockhill avenue to Arch avenue.

Be it ordained by the Council of the City of Alliance, Ohio, as follows:

Section 1. That a street railway route, to be known a Route No — be and the same is hereby established as follows.

1. Beginning at the intersection of Vine street with Rockhill avenue, on the center line of said Vine street; thence south along said Rockhill avenue by a double track to the south line of West Main street. (2) Beginning at the western terminus of said West Main street, thence by double track along said West Main street to the east side of Union avenue. Thence along said Main street to the east side of Arch avenue by single track. The said railway to be built and established in and upon said route shall be constructed, equipped and operated in the manner following to wit:

First Said street railway shall be constructed with double track along said route from Vine street to Union avenue, and from Union avenue to Arch avenue by single track, of the grade known as the standard gauge, with the necessary switches and turnouts, and shall be laid as near as possible to the center of the street over the entire route, except between Union avenue and Arch avenue, where it may be laid so as to form a double track system with the existing track.

The rails to be used shall be of the latest and most approved design of the pattern known as the girder rail, not less than nine inches high, or such as the Council may direct.

Second. At the time of building said track, and before cars are operated thereon, the person or company constructing the same shall fill or cause to be filled between the rails and for a distance of eighteen inches on the outside of the rails, to a depth of eight inches with a bed of rounded stone, furnace slag or other suitable material so feathered out on each side of the track as to permit teams and wagons readily to pass across said track at any point in the street.

Provided that upon that portion of the track already macadamized the road material displaced in constructing such railway shall be replaced by the person or company constructing said railway, as the same previously existed, and to the full approval of such person or persons as the City Council may place in charge of said work; and such filling and macadamizing between the rails and eighteen inches on either side of the track shall be maintained and kept in good condition and repair by the company constructing and operating said railway during such term as a franchise for the construction of such railway is granted.

Third. Said track shall be laid to the present surface grade of said street and should a change be hereafter made in the grade of said street, the person or company owning or controlling said track shall make the same to conform to such changed grade when ordered to do so by the City Council without receiving or being entitled to receive from said city any compensation.

or damage by reason of such changed of grade.

Fourth. The motive power to be used in propelling cars on said line to be electricity.

Fifth. The right to construct and operate said street railway shall include the right to erect poles and string trolley wires and such other wires and appliances as are proper and necessary, for conducting electric current for propelling cars and maintaining lights. Said poles shall be of iron not less than twenty-five feet in length and straight, and shall be firmly set in the ground a depth of at least four feet, and kept as nearly vertical as possible.

They shall be placed as nearly as possible 120 feet apart, and be so located as not to interfere with ingress or egress to and from abutting property.

City Council shall have power and authority to change the location of any of such poles and they may be temporarily moved when necessary when any improvements or repairs are being made. Said poles shall be painted of any color to be approved by the City Council when erected, and shall be repainted from time to time as the Council shall deem proper. The wires herein maintained shall be provided with the latest improved appliances for the protection of life, and shall be so laid placed and constructed as not to interfere with the wires of the fire alarm system of the city.

The cars to be used on said line shall be provided with all the latest

approved appliances for the comfort, protection and safety of passengers and employees.

There shall be provided at either end with a suitable signal light which shall be kept lighted when cars are in use in the night time, and shall be provided at the forward end of each car with a bell or gong and a safety fender.

The person or company building or operating said railway shall comply with any and all rules and regulations that may hereafter be adopted by the City Council touching the equipment and operation of said street railway.

✓ Seventh. The work shall begin on said railway within three months, and shall continue without unnecessary delays until the line is completed and the entire route shall be completed and in operation within ten months from the passing of the ordinance granting the franchise for the construction and operation of said street railway.

Eighth. Cars shall be run over said route at regular intervals and at least one car each way every half hour shall be operated over said line between the hours of six o'clock in the morning and nine o'clock at night.

Section 2. Whenever the City Council shall cause any or all of said streets on which said railway is established ~~on which~~ said to be paved, improved or repaired, then the person or company operating said railway shall pay so much of the expense thereof as may be necessary to pave, improve or repair to the width of eighteen (18) feet, and upon the same terms and conditions

that may be prescribed for abutting property owners. The City Council shall have the right to specify the kind of track construction, rails, ties, etc., both as to labor and materials that shall be used in such improvement, and it shall be the duty of the street railway company to keep in proper repair that portion of the street between the rails and for a distance of eighteen inches on the outside of each rail.

Section 3. The person or company operating said railway shall at all times defend, keep harmless and indemnify the City of Alliance from all damages, lawful claims and demands for injuries to persons or property, and costs and expenses to which said city may be subjected or made liable by any proceedings at law, in equity or otherwise, growing out of the grant of the privileges in this ordinance set forth, or out of the exercise or enjoyment of the same.

Section 4. The franchise for building and operating a street railway on said route to be granted by ordinance hereafter passed, shall be for the term of twenty five years from the passage of such ordinance, and shall contain such further regulations as to the construction, operation and maintenance of such road as the City Council shall deem reasonable and necessary. It shall contain a provision in substance that should the person or company to whom such franchise is granted his or its successors or assigns, fail neglect or refuse to comply with the provisions of said ordinance

or should after the completion of said railway fail to operate its cars on the same for a period of thirty consecutive days. except in case of strikes or unavoidable accidents then such franchise to become null, and void at the option of the City Council.

Section 5. The city to have the right to string wires for fire alarm purposes on the poles of said railway, provided the work is done in such a manner as not to interfere with the wires of said railway or its successful operation.

Section 6. Said railway company shall properly light all street crossings used by said company.

Section 7. The city clerk is hereby directed to advertise for sealed proposals to construct and operate said railway, as established in section 1 hereof, for a period of three consecutive weeks as provided by law.

Section 8. This ordinance shall take effect and be in force from and after its passage and legal publication.

An ordinance To establish and Regulate a Police Force in the City of Alliance, Ohio.

Be it ordained and enacted by the Council of the City of Alliance, Ohio, as follows:

Sec 1. That the Mayor shall appoint annually within 60 days after the April election, subject to confirmation by a majority vote of council, a chief of police and such other number of regular policemen as may be designated by Council, said number not to be less than one for each fifteen hundred, or fraction thereof, of population, one of whom shall be designated by the mayor after confirmation by council to act as Captain of Police.

Sec 2. The person so appointed shall serve for one year and until their successors are appointed and qualified, unless sooner removed.

Sec. 3. Before entering upon their duties, the Chief of Police shall give bond in the sum of one thousand dollars, and the Captain of Police and policemen, in the sum of five hundred dollars each, with securities to the satisfaction of the Mayor conditioned for the faithful performance of their duties. They shall further take an oath to support the constitution of the United States and of the State of Ohio; and to faithfully, honestly and impartially perform the duties of their respective offices, according to the laws of the State of Ohio, the Ordinances of the City of Alliance, and the lawful rules, regulations, and orders made in pursuance thereof. And if any person so appointed fail to take oath of office, or to enter said bond, within ten days after his appointment shall be confirmed his said office shall be

deemed to be vacant.

Sec 4. For his services the Chief of Police, shall receive \$40.00 per month, and fees of office.

The Captain of Police shall receive \$65.00 per month. Policemen appointed for the first time and not having had at least one year's previous experience in police work shall receive \$50.00 per month: those having had not less than one and not more than two years experience in police work shall receive \$55.00 per month, and those having had two years or more experience in police work shall receive \$60.00 per month. And they shall receive no other fees or rewards, except by consent of the Mayor.

Applicants for appointment for the first time, claiming previous experience, will be required to furnish certificates showing the length and character of such experience.

Sec 5. Applicants for appointment on the police force must be electors of the city of known sobriety, integrity and good judgment, able to read and write the English language, and shall be at least five feet eight inches in height and not less than 155 pounds in weight.

Each person applying for the first time for appointment to the police force must furnish a certificate from some reputable physician that he is sound of limb and health, and he must further furnish a recommendation signed by at least six reputable citizens setting forth that he is a man of good moral character, of sober and industrious habits, and that they have never known him to be guilty, or convicted of any criminal act or disorderly conduct.

Sec 6. In addition to the regular policemen, above provided for, the Mayor may, whenever he may deem it essential to the public safety and good order of the City, or whenever the Council may require it, appoint one or more special policemen, whose term of service shall terminate with the emergency requiring such appointment, and in no case shall such appointment continue beyond the first meeting thereafter of the Council without the approval of the Council.

Special policemen shall be subject to the Rules and Regulations of the department may be required to give bond at the discretion of the mayor and for their services shall receive two dollars per day.

Sec 7. The Mayor may at the request of any religious, or any other organization, company, business house, firm or citizen in said city appoint and qualify one or more special policeman or watchmen to protect the property and to serve under the direction of such organization, company firm or citizen, with the same powers and responsibilities as regular policemen, and subject to like penalties. Provided, that in such cases no fees for such services shall be paid by the city, unless such special policeman, or watchmen, be appointed by order of the city council.

Sec 8. The Mayor and a standing committee of three members of council appointed the same as other committees and known as police committee, shall constitute the Police Board, of which the Mayor shall be President et officio. It shall be the duty of the Board.

To have general supervision of the force, inquire as to the faithfulness and diligence with which members of this force perform their respective duties, investigate charges brought against any member of the force, and if in their opinion there be probable foundation for said charges, to report the result of their investigations to Council for their action at the next regular meeting thereafter.

The police board shall convene from time to time at the call of the Mayor to consider matters pertaining to the department.

Sec 9. The Mayor shall have power to suspend any policeman for neglect of duty, misconduct or other sufficient cause, and may appoint other persons to fill the temporary vacancy caused thereby: and all such suspensions and the cause thereof, and all appointments, shall be by him reported to the Council for their action at the next regular meeting thereafter.

Sec 10. It shall be the duty of the police at all times, but especially during the time they are on active duty, to preserve the public peace, and to suppress all riots, disturbances and breaches of the peace; pursue and arrest any person fleeing from justice, in any part of the state; apprehend any and all persons in the act of committing an offense against the laws of the State or the ordinances of the corporations, and forthwith bring such persons before some competent authority for examination or commit them to the City prison until an examination can be had: to protect the rights of persons and property, and use diligence to

prevent crime and the violations of the laws of the state and the ordinances of the City; guard the public health and report all nuisances and violations of health laws or ordinances; to report obstructions on streets and sidewalks, and all defects therein from which accidents may occur. removing them when practicable, and in case an obstruction cannot be removed, to place a sufficient light thereon, so that the obstruction may be seen; to preserve order and protect property at fires and promptly give on the discovery of fire; to protect strangers, direct them to their destination and furnish such information and give such assistance to all persons, when requested, as may be consistent with their duties; to render immediate aid in case of accident or illness in the streets, ascertaining all important particulars connected therewith, and making record thereof; to strictly watch the conduct of all known bad or suspicious characters; to report to the Chief of Police all saloons, gambling houses, or rooms, disorderly houses, and places of assignation or prostitution; to cause lost children to be taken to the residence of their parents, if known and residing within the city limits, or some other fit place until identified or claimed; to carefully examine all doors and low windows of business places and vacant houses and see that they are properly secured; report street lights not burning; report at such times and from or at such places as the Chief of Police may designate; be familiar with and faithfully observe and diligently enforce the criminal laws of the state,

and the ordinances resolutions and direction of the City Council, and promptly obey the orders of their superior officers and of the Mayor.

Sec 11. Each, or any, policeman shall have power to call upon any citizen to assist him in arresting and conveying to prison any offender. And any person, who shall, without sufficient reason, refuse to aid such policeman, when lawfully called upon, shall upon conviction thereof before the Mayor, be fined in any sum not exceeding ten dollars, and shall pay the costs of prosecution.

Sec 12. Each, or any, policeman shall have free access to all shows, or exhibitions, within the city, in the discharge of his official duties, and may demand of any person, or persons in charge of such show or exhibition, his, her or their license to exhibit the same; and if such person or persons refuse such demand, he, she or they shall be deemed guilty of a misdemeanor, and upon conviction thereof before the Mayor, shall be fined not more than ten dollars, and shall pay the costs of prosecution.

Sec 13. Each, or any of them are authorized, empowered and required in a peaceful manner, and if refused admittance after demand made with force, to enter any house, shop, store, grocery or other building within said city, where any person or persons may reasonably be expected to be for unlawful purposes, or where any persons or persons whom they have reason to believe guilty of any crime or offense are harbored or secreted, or where any person is who in their presence or hearing has committed any crime or offense, or where

any crime or offense, or about to be committed, or where any alarm, outcry, riot or disturbance shall be made and there arrest the guilty party or parties.

Sec 14. All persons apprehended by the police of said city shall be arraigned before the Mayor, or some other competent authority, as soon as practicable, but if for any cause such arraignment cannot be had, at once said persons shall be confined in the prison provided by Council, without danger from the cold or wet, until such arraignment can be had, or until the person or persons arrested are released by order of the Mayor; and in the prison so provided by the council the sexes shall be kept separate and apart.

Persons arrested during the night shall be taken before the Mayor at or before ten o'clock the ensuing morning, excepting Sundays, and for this purpose it shall be the duty of the Mayor to be at his office for the despatch of police business as early as ten o'clock A. M., daily, except Sundays.

Sec. 15. Any person who resists, hinders, interferes with, bribes or attempts to bribe any member of the police force, in the discharge of his official duties, shall be deemed guilty of a misdemeanor and upon conviction thereof before the Mayor, shall be fined in any sum not less than five or more than fifty dollars, and be imprisoned not less than one or more than ten days, one or both at the discretion of the Mayor, and shall pay the costs of prosecution.

Sec 16. Any member of the force shall be subject to reprimand, suspension from duty without pay, or dismissal from the force for any of the following

or for the violation of any of the provisions of this ordinance, or of any of the lawful rules and regulations governing the force.

If the disability exceed thirty 30 days such pay will be allowed as the Council may direct, but in no case to exceed one half pay. Time missed for other causes than therein mentioned

shall be deducted from vacation allowance, unless the member missing such time furnish at his own expense for the time missed a substitute satisfactory to the Mayor or Chief of Police.

Chief of Police.

Sec 21. The Chief of Police shall have full charge of the police department, subject to the Rules and Regulations adopted by the Council for the government of the force, and to the orders or directions of the Mayor and council not in conflict with the statutes. He shall in addition to the duties prescribed by statute, see that the laws of the State, the ordinances of the city and the Rules and Regulations of the Police department are properly enforced, and shall to the best of his ability perform the duties incumbent on him by the following rules:

Art 1. It shall be the duty of the Chief of Police to preserve the public peace of the city, and to insure good order. He is vested with power to post the men under his command in such places, and assign them to such duties as he may deem it prudent, designating the time, place and manner of reporting during the hours on duty.

Art 2. The Chief of Police will be held strictly responsible for the cleanliness, good conduct and efficiency of all the members of the department, and to insure the same he is required to inspect the arms, accoutrements, and uniform of the department at least once

a week, and to instruct and examine them in respect to the duties and requirements of their offices at least once a month.

Art 3. He shall investigate all complaints made against members of the police force, and if, in his judgment the nature of the case requires it, he shall prefer charges against such member or members, and transmit the same, with names of witnesses, to the President of the police board.

Art 4. It shall be his duty to repair in person to all riots and serious or extensive fires in the city, to take command of the police present to save and protect property and cause the arrest of such person or persons as he may find disturbing the peace or inciting others to do so.

Art 5. He must, on the occasion of any general or primary election, detail a sufficient number of policemen to each ward to preserve the peace and protect the ballot boxes.

Art 6. He shall be held strictly responsible for the prompt service of all writs directed to him from the Mayor's court.

Art 7. He shall have authority temporarily to excuse any member of the department from wearing the uniform, whenever, in his opinion, the service of the department requires it.

He also shall have power to excuse any member from duty whenever, in his opinion, the circumstances warrant him in so doing, provided the member so excused furnish a substitute satisfactory to the Mayor or to himself.

Art 8. He shall have power to promulgate such orders to the police force as he may deem proper, in conformity to law, and to the Rules and Regulations of the police department, and subject to the approval of the Mayor.

Captain of Police

Sec 22. The Captain of Police shall have charge of the prison and police at nights, serving the same number as the night force. He must see that the police report as directed by the Chief, and patrol their beats in a vigilant manner, and for this purpose he shall visit the different beats as often as necessary, instructing the men under his command as to their duties, and report all cases of neglect and misconduct to the Chief. Each morning he shall make a full report to the Chief of the work of the police during the previous night.

An ordinance granting permission to the Akron Alliance Connecting Railway company to construct and operate a street railway on Rockhill avenue from Vine street to Main street and on Main from Rockhill avenue to Arch street.

Whereas, the Council of the City of Alliance, Ohio, did by an ordinance passed the 6th day of August, 1902, establish a street railway route on Main street and Rockhill avenue; and

Whereas, Charles O. Silver clerk in said city, in pursuance of the direction in said ordinance contained did give public notice by publication in the Alliance Daily Review and in the Alliance Daily Leader, daily newspapers published in said city and of general circulation therein, for three consecutive weeks, next proceeding the first day of September, 1902, advising the public that sealed proposals would be received until 12 o'clock noon on the first day of September, 1902, by the Council of said city for the grant of the right to construct and operate for a period of 25 years said street railway route as established in said ordinance, and

Whereas, bids were received by said clerk at the time mentioned in said notice and were opened by said Council at said time, and it appearing that The Akron-Alliance Connecting Railway company proposes to carry passengers on said street railway at lower rates of fare than any other road namely: single cash fare over said route 3 cents; children under 6 years of age accompanied by adults, free; and has filed with the clerk the written consents of the majority of the

property owners on the line of said proposed Street Railway, represented by the feet front of the lots abutting upon the said streets on which it is proposed to construct said railroad. Now, therefore!

Be it ordained by the Council of the City of Alliance, Ohio, as follows.

Section 1. That permission be and is hereby granted to The Akron, Alliance Connecting Railway company to construct and operate said street railroad route, as follows: Beginning at the intersection of Vine street with Rockhill avenue, on the center line of said Vine street; thence south along said Rockhill avenue by a double track to the south line of West Main street.

(2) Beginning at the western terminus of said West Main street, thence by a double track along West Main street to the east side of Union avenue; thence along said Main street to the east side of Oak avenue by single track.

Section 2. That the foregoing grant shall be for the term of twenty five years, and shall be subject to all the terms and conditions in an ordinance entitled, "An ordinance establishing a street railway route on Rockhill Avenue from Vine street to Main street and on Main street from Rockhill avenue to Oak avenue,"

passed the 6th day of August, 1902.

Section 3. That the rate of fare shall at no time exceed the rate named in the preamble to this ordinance, namely: single fare over said route 3 cents; children under 6 years of age accompanied by adults, free.

Section 4. This ordinance shall take effect and be in full force from and after its passage.

For the issuing of bonds of the City of Alliance, Ohio, in anticipation of the collection of a special assessment of the property abutting on North Walnut Avenue from the north line of North Freedom Avenue to the south end of what is known as the water works bridge, which is located on said North Walnut Avenue, in said city of Alliance, Ohio.

Section 1. Be it ordained and enacted by the Council of the City of Alliance, Ohio, that to pay the immediate cost and expense of improving north Walnut Avenue from the north line of Freedom Avenue to the south end of what is known as the water works bridge, which is located on North Walnut Avenue in said city, in accordance with an ordinance passed January 6th, 1902, and in anticipation of the collection of a special assessment therefor, the mayor and clerk of said city be and they are hereby authorized and directed to issue the bonds of the city in the sum of \$18 000.00 as hereinafter provided.

Section 2. That said bonds shall consist of 36 bonds, and shall be in denominations of \$500.00 each, and shall bear date of April 15, 1902 and shall become due and payable as follows:

Three thousand dollars in one year.

Three thousand dollars in two years.

Four thousand dollars in three years.

Four thousand dollars in four years.

Four thousand dollars in five years from date of issue as aforesaid.

Said bonds shall bear interest at the rate of four per cent per annum, payable semi-annually on the 15th day of October and on the 15th day of April of each year, and the several installments of interest shall be evidenced by coupons attached to said bonds, and both principal and interest shall be payable when due at the office of the City Treasurer of Alliance, Ohio.

Section 3. Said bonds shall be designated "North Walnut Avenue Improvement Bonds" and shall express upon their face the purposes for which they are issued, and that they are issued under and in pursuance of this ordinance, and they shall be signed by the mayor and countersigned by the clerk of said city, under the corporate seal of said city, and they shall be sold in the manner provided for by law for the sale of municipal bonds.

Section 4. That upon sale of said bonds the proceeds thereof shall be placed in the treasury of said city to the credit of the "North Walnut Avenue Improvement Fund", and shall be applied to the payment of the cost and expense of improving said North Walnut Avenue and for no other purposes.

whatsoever; and the special assessment in anticipation of which said bonds are issued shall be paid into the "North Walnut Avenue Improvement Fund," of said city when collected, and shall be applied to the payment of said bonds and interest thereon, as the same shall become due and to no other purpose whatsoever.

Provided that if on or before the sale of said bonds any of the property owners shall pay the full amount of their assessments less the interest included therein, the amount so paid shall be applied to the payment of the cost and expense of said improvement, and bonds shall be issued for the unpaid remainder of the total amount to be provided.

Section 5. That this ordinance shall take effect and be in force from and after the earliest period provided by law.

Adopted February 6, 1902
