An ordinance.

To regulate Ale, Beer, and Porter Houses, and other places where intoxicating liquors are sold at retail.

Be it ordained and enacted by the Council of the City of Alliana, O.

Section 1. That it shall be unlawful for any person, or persons to keep open within the corporate limits of said City, any Ale, Beer or Porter House, or any other place where intoxicating liquors are sold at retail as a beverage, on the first day of the week commonly called Sunday, and other days between the hours of 10 o'clock P.M. of any day, and 6 o'clock A.M. of the day next immediately following, or to sell, or give away, any Ale, Beer, Porter, or other intoxicating liquors at retail as a beverage, during such time in such place or places.

Section 2. That it shall be unlawful for any person or persons to sell or furnish as a beverage, any Ale, Beer, Porter, or any other intoxicating liquors, to any minor, to be drunk by said minor, except when given by a physician and in regular line of his practice, or to furnish as a beverage any Ale, Beer, Porter, or other intoxicating liquors, to any person who is at the time intoxicated or who is in the habit of getting intoxicated.

Section 3. That it shall be unlawful for any keeper or other person having charge of any Ale, Beer, or Porter House, or other place where intoxicating liquors are sold at retail, as aforesaid, to permit any female other than a

member of his or her household, to act as waiter or bar-tender, in such place or places, in handling any intoxicating liquors.

Section. 11. That it shall be unlawful for any person or persons, to sell, furnish or give away intoxicating liquors as a beverage except in a room fronting on a public street in said City, upon the first or ground floor of the building wherein located, having in front transparent window glass windows, so situated and of such size and clearness as to give a full view to persons passing along or standing on the sidewalk or ground adjacent to, and in front of such building on such street of all the interior of said room.

And the owner, or keeper, or person in charge of said room or place shall on the first day of the week, commonly called Sunday, and on all other days between the hours of 10 o'clock P.M. of any day, and 6 o'clock A.M. of the next day immediately following, remove or caused to be removed, all screens, partitions, stained or smoked glass or other substances placed, or allowed to remain in or about said Ale, Beer, or Porter House, or other places where intoxicating liquors are sold in said City at retail as a beverage which obstruct a full view of the interior of said room or place; and keep all such obstructions so placed, so that they or any of them, during the aforesaid times, shall not obstruct the view, as aforesaid.

And the owner or keeper, or person in charge of such room, shall keep burning in such room or place between the hours of 10 o'clock P. M. of any day, and 6 o'clock A. M. of the day next immediately following, a light sufficiently brilliant to light every part of such room or place, so that the passerby or person standing in front of said room or place on the sidewalk or on the ground next to said room or place can see by light plainly enough to designate what persons may be in any part of said room or place.

Sect 5. That nothing in this ordinance shall be construed to prevent the selling of intoxicating liquors at retail by a regular druggist for the exclusively known medicinal, pharmaceutical, scientific, mechanical or sacramental purposes; and when sold for medicinal purposes it shall be sold only in good faith upon written prescription issued signed and dated in good faith by a reputable physician in active practice, and the prescription used but once.

The words "to give away" and "to furnish" where they occur in this ordinance shall not apply to the giving away of intoxicating liquors by a person in his private dwelling, unless such private dwelling is a place of public resort. And nothing contained in any of the sections of this ordinance shall in any manner effect the right of any manufacturer of intoxicating liquors from the raw materials to sell deliver and furnish his product in wholesale quantities to bona-fide retail dealers trafficking in intoxicating liquors or in wholesale

quantities to ~~be sold~~ retail any party or parties residing outside of the limits of said Municipality.

Sec 6. That any person, or persons violating any of the provisions of this ordinance, shall upon conviction thereof, be fined in any sum not ~~Section 6.~~ That any less than

Fifty Dollars (\$50.00) nor more than One Hundred Dollars (\$100.00) for the first offense, and not less than One Hundred Dollars (\$100.00) nor more than Two Hundred (\$200.00) for each subsequent offense, together with the costs of prosecution.

Section 7. That an ordinance entitled "An Ordinance to regulate Ale, Beer, and Porter Houses, and other places where intoxicating liquors are sold at retail" passed May 21, 1894, be and the same is hereby repealed.

Section 8. That this ordinance shall take effect and be in force from and after its passage and legal publication.

An ordinance to regulate the Digging up of Improved Streets in the City of Alliance, O.
Section 1. Be it ordained and enacted by the Council of the City of Alliance, O. that it is hereby declared unlawful for any person or persons corporation or company to dig up or excavate any part or portion of any improved street, alley or public ground of the City of Alliance, Ohio unless such person, or persons, corporation or company shall first obtain a written permit from the Board of Public Service of said City of Alliance as hereinafter provided.

Section 2. The Board of Public Service of the City of Alliance, Ohio is hereby authorized to issue such written permits upon application therefor by proper parties and for purposes which in the judgement of said Board of Public Service of this city are proper and justify the issuing of such permits. Such application for permits shall be accompanied by drawings or diagrams showing the location and plan of the proposed excavation and the Board of Public Service shall have authority to alter modify, or amend such such drawing or design or cause the same to be done as may seem proper to said Board, and such applicant or applicants shall pay to the Board charges according to the following rates:

For sanitary sewer ditches, 30 cts. per lineal foot.

For water and gas ditches 20 cts. per lineal foot.

For all other excavations such price as may seem reasonable to the said Board.

The Board of Public Service shall pay all monies arising from such charges to the City Treasurer to the credit of the Board of Public Service fund.

Sec. 3. It shall be the duty of all persons making excavations in improved streets, alleys, or public grounds of the City of Alliance, O. to complete the work necessary in making such excavations without delay and to notify the Board of Public Service of the completion of the work in such excavations not later than three (3) o'clock p.m. of the day on which the work shall be finished, and the said Board of Public Service shall cause such excavations to be filled up and put in proper condition at the expense of the City of Alliance, O.

Sec. 4. All persons making excavations in the streets, alleys or public grounds of the said City of Alliance, O. shall guard the same by barricades and lights and shall be liable to the said City for any and all damages and costs incurred by it, arising from the negligence in making such excavations, or guarding the same or from failure to notify the Board of Public Service of the dangerous condition of such excavation.

Sec. 5. The said Board of Public Service shall not issue any permit to dig up or excavate any street, alley or public ground within five years after the same shall have been improved unless in the opinion of the members thereof

an emergency exists sufficient to warrant the same, but the Board shall not grant such permit for an ordinary purpose that could have been foreseen at the time such improvement was made.

Sec. 6. That an improved street, alley, or public ground shall be construed under the provisions of this act to mean any such street, alley or public ground, that is used by the public as a thoroughfare.

Sec. 7. Any person, persons, corporations or company, violating or failing to comply with any of the provisions of this Ordinance shall, upon conviction thereof, be fined in a sum not less than five nor more than fifty Dollars.

Sec. 8. That an Ordinance passed Sept. 12th. 1898, entitled "An ordinance to regulate the digging up of improved streets in the City of Alliance, Ohio" be and the same is hereby repealed.

(An ordinance to approve Rules and Regulations for the construction, Alteration and inspection of Plumbing placed in or in connection with any Building in the City of Alliance. Also. Prescribed by the Board of Health.

Sec. 1

Section 1. Be it ordained by the City Council of the City of Alliance, O. that said council does hereby approve the rules and regulation for the construction, alteration and inspection of plumbing placed in or in connection with any building in the City of Alliance, O. prescribed by the Board of Health of said city on the 25th day of August, 1903 said rules and regulations being made a part of this ordinance and being as follows.

Rule 1. No person or persons firm or corporation shall in the City of Alliance, O. engage in the business of plumbing until he, it or they have passed ~~passed~~ examination as prescribed by the Board of Health and have obtained a license so to do from said board of health of said City. The fee for such license for a master or employing plumber shall be five (\$5) dollars for a journeyman plumber shall be one (\$1) dollar. Said license shall be renewed annually upon the payment of a fee of fifty cents.

Rule 2. Applications for licenses shall be made on blank forms prescribed and provided by said board and shall be accompanied with a bond with surety, to the approval of said board, in the sum of one thousand (\$1000.00) dollars condition that the applicants will save said

said city harmless from all damages that may arise from negligence of such applicants and that they will conform to these rules and to such other requirements as said board may make in relation to plumbing.

✓ Rule. 3. No plumbing work shall be done in said city, except in case of repairs or leaks, without a permit being first issued therefore by said board of health. Applications for permits shall be made on blank forms provided by said board and each application for a permit shall be accompanied with a fee as follows.

For each bathtub or water closet installed fifty (50 cents) for each lavatory. Kitchen Sink, Pantry sink, washpool or slop sink, Twenty-five cents (25¢) each and for line of soil pipe where plumbing work is not going to be finished one dollar (\$1.00) for each line.

The above fees shall be deposited in the treasury of said city to the credit of the sanitary fund.

Rule. 4. No such permit shall be issued until suitable plans or description of the work to be done have been submitted to the inspector of plumbing hereinafter designated and have been approved by him.

Rule 5. If the work is not begun under the approved plans within three months from the date of approval, such approval shall be deemed to have expired by limitation.

Rule. 6. The inspector shall keep a record of all plans and

descriptions submitted to him hereunder, together with his action thereon, and he shall also make a record of the plumbing in each building in the City of Alliance.

Rule 7. The inspector shall be notified by the person doing same when any plumbing work is ready for inspection.

All parts of every plumbing system shall be made perfectly gas tight.

All soil waste and back air ventilation pipes hereinafter designated "Vent pipes" when placed in position shall be tested by the water test in the presence of the inspector and all work shall be inspected twice.

First when the soil, vent waste and lead pipes are roughed in and again when the fixtures are placed and the job completed. If he is satisfied that the work is done in accordance with these rules and is free from leaks, he shall issue a certificate of approval, but otherwise shall disapprove same, which shall not be put to any use until it has been altered as prescribed by him and receiving his approval.

All plumbing work shall be left uncovered and convenient for inspection until examined and approved by the inspector.

Rule 8. All soil pipe shall be Standard well routed inside and out with coal tar or pitch unless otherwise specified.

Rule 9. The main soil pipe of any building shall extend beyond and 3 feet away from the foundation wall thereof and shall continue up inside of the building and extend not less than 2 feet.

through the roof and any vertical branch rising more than 10 feet or any lateral branch running more than 25 feet from the main line shall be continued to a point above the roof in the same manner as is required on the main soil pipe.

Where flat roofs are used for any purpose all soil or vent pipes shall extend not less than 4 feet above same.

Soil or vent pipes must not open within 15 feet of the ground nor within 20 feet of a window unless 3 feet above the same and such openings shall be protected with screens.

Rule 10. Soil pipe shall be run with a fall of not less than 1-8 of an inch to the foot. Where the direction of soil or waste pipes are changed and at the end of each horizontal line tran screws or trap screw ferrule of the same size as that of the pipe shall be placed. All changes in the direction of a line of soil pipe shall be made with 1-8 curves. All connections shall be made with Ys if possible and in all cases must be made with sanitary fittings.

Rule 11. Every plumbing fixture must be separately trapped and every trap must be provided with back air ventilation pipes for water closet traps of not less than 2 inches in diameter and for traps of other fixtures of a size not less than that of the trap it ventilates.

Rule 12. Vent pipes shall be of standard cast iron galvanized wrought iron lead or brass and they shall be run with a fall

and in such a way that they cannot not be used for waste pipes. They may be connected together not less than one foot above the top of the fixtures ventilated thereby provided they are large enough to give a plentiful supply of air for each trap. They may be increased in size every 30 feet of their length and must be connected with soil pipe one foot above the top of the highest fixture or they may be run to a point 2 feet above the highest part of the main roof.

Rule. 13. No vent pipe outside of the building shall be less than four inches in size. Vent pipes shall not be connected into the size of horizontal waste pipes and they shall be provided with trap screws or union joints in an accessible place near the trap ventilated thereby.

Rule. 14. Waste shall be made of standard cast iron, lead or brass and no waste pipe shall be less than 1 1/4 inches in diameter.

Lead pipe, bends and traps of 3 inches or more in diameter shall be made of lead having a weight of not less than 8 pounds to the lineal foot, and all lead waste and vent pipes shall ~~be~~ have a weight equal to that known as "light."

All branch joints in lead waste and vent pipes shall be made in the form of a "Y"

Rule. 15. Traps shall be provided with trap screws in an accessible place and shall be placed as near the fixtures as practicable and in

than 2 feet therefrom. For small fixtures other than water closets, located on the first floor and connected separately with the sewer, the vent pipe may be omitted by running a 2 inch waste pipe from floor joist to sewer ~~the vent pipe may be~~ and using a non-siphon trap.

This applies to cases where a vent cannot be put in and permission must be obtained from the inspector.

Rule 16. Not more than 3 water closets shall be vented with one 2 inch vent pipe not more than 3 fixtures other than water closets shall be ventillated with an 1-1/2 inch vent and not more than one fixture, other than a water closet shall be vented with an 1-1/4 inch vent-pipe.

Rule 17. Water closets shall be of an approved pattern and shall be provided with tanks or other approved flushing appliances with a capacity sufficient to supply 4 gallons of water at each flush and they shall be placed in an apartment with a window leading directly to the outer air or they shall be provided with proper local ventilation.

Rule 18. When frost proof closets are placed inside of any building the soil pipe between the hopper and trap shall not be more than three inches in diameter and shall be enameled inside.

Rule 19. Joints between water closets and soil pipe must be made perfectly air tight.

Rule 20. All soil, waste and vent pipes shall be constructed in as direct and concentrated a manner as possible and shall be properly fastened and supported.

Rule 21. All joints in lead pipe, or between lead and brass must be wiped and joints between cast iron and wrought iron pipe must be screwed joints.

Rule 22. Refrigerator wastes or steam blow-off pipes must not be connected directly to the house drain.

Rule 23. No stuffing box or slip joint connections shall be allowed on the sewer side of any trap.

Rule 24. No saddle hubs, rubber elbows or connections shall be used in any part of the drainage or vent pipe system.

Rule 25. Outlets of all fixtures except water closets shall be provided with a fitted strainer.

Rule 26. The foregoing rules and regulations shall apply only to plumbing work hereafter hereafter constructed, extended or remodelled.

Rule 27. In case of the violation of the foregoing rules of any part thereof in the doing of any plumbing work, the approval of the plans and description thereof shall be nullified by the Board of Health and notice thereof shall at once be given to the plumbers having charge of and doing the work and to the owner of the building or his agent and thereupon all work under such plans and descriptions shall at once cease, and work thereunder shall not recommence until

until such plans and descriptions have been reapproved by the inspector.

Rule 28. When soil and waste pipes are placed in building for future use, the necessary vent and water pipes must be also put in and the ~~work~~ tested and inspected as if for immediate use.

Rule 29. The inspector of plumbing shall have authority and power, whenever in his opinion, any plumber in doing any plumbing or house drainage violates any provisions of the ordinances of this city, to suspend said licenses and it shall be the duty of the officer making such order of suspension to report the same to the Board of Health and the said Board may revoke said license by a majority vote, after full and fair hearing.

Rule 30. Any person violating any of the provisions of these rules and regulations shall upon the convictions thereof, be fined in any sum not exceeding fifty dollars or less than five dollars and shall pay the costs of the prosecution.

Sec. 2.

Section 2.

This ordinance shall take effect and be in force from and after ten days from the date of its first publication.

An Ordinance to improve Franklin Ave. from Noble street to Reed street.

Section 1. Be it ordained by the Council of the City of Alliance, State of Ohio, three fourths of the whole number elected thereto concurring, that the improvement of Franklin avenue from Noble street to Reed street grading to established grade as provided for in the resolutions of this council, passed Oct. 5, 1903, be proceeded with as follows:

Section 2. The grade of said Franklin avenue shall be the present established grade.

Section 3. The plans, specifications, estimates and profiles for said improvement prepared by the Engineer of the Board of Public Service in pursuance of said resolution, and on file in the office of the Department of Public Service, are hereby approved and accepted.

Section 4. That the cost and expenses of said improvement, as defined by law, by a percentage except so much thereof as the council is compelled by law to levy upon the general tax list, shall be levied and assessed in accordance with existing laws and ordinances by the foot frontage of the property bounding and abutting upon the improvement, and as directed by law.

Section 5. Said assessments are to be paid in five (5) annual installments and to be collected as provided by law, and in the ordinance making this assessment, hereafter to be passed, and bonds shall be issued in anticipation of the collections of the same.

Section 6. A notice of the passage of this ordinance shall be served upon the owner of each piece of property to be assessed, and published, and proof thereof made, as provided by law.

Section 7. All owners of a lot or of land bounding or abutting upon said improvement, claiming to sustain damages by reason thereof shall file their claims in writing with the clerk of council within two weeks of the service upon them of the passage of this ordinance, or if not residents of the corporation, within two weeks of the completion of the publication of the notice of said passage of this ordinance.

Section 5. The Board of Public Service is hereby directed to advertise, according to law, for sealed proposals for the construction of such improvement. Bidders must be required to specify in their bids the time in which they will commence and finish the work after a contract therefor has been entered into.
