Ordinance No 186

An ordinance granting the right of way to The Transue & Williams Company, across the eastern half of Rockhill Avenue in the city of Alliance, Ohio, etc.

- Section 1 Be it ordained and enacted by the council of the city of Alliance that there be and there is now hereby granted to The Transue & Williams Company, of Alliance, Ohio, its successors and assigns, a right of way for the uses and purposes of laying a side track or switch across the following public grounds of said city, to-wit: Commencing at the center line of Rockhill Avenue the regular distance north of the most northerly sidetrack of P. D. W. & C. R. R., thence east to the east line of said Avenue.
- Section 2 That the grant aforesaid is to be construed to be for the location of a single sidetrack or switch, for private use of said company, and shall not be so constructed or laid at such elevation as will in any way interfere with the established grade of said east half of said Avenue, without the consent of the Council of said City; that when sidetrack or switch is constructed, said Company shall be at the expense of restoring the east half of said Avenue to as good condition as it is now in, less the necessary injury attendant upon the construction of said sidetrack; that the grant aforesaid is to continue as long as said company, or its successors and assigns shall use said sidetrack for its private use; that it is a condition of this grant that if at any time in the future it shall be deemed necessary to pave, grade or improve said east half of Rockhill Avenue, said company shall be at the expense of grading, paving, or improving such a part of said east half of said Avenue as may be then occupied by said sidetrack; that said east half of said Avenue shall continue to be under the control of said city; that said city reserves the right to change the grade of said east half of said Avenue, and to compel said Company to conform to the same without any liability for damages because of such change; that said Company shall provide and maintain at its own charge, suitable crosswalks, and road crossings over said sidetrack on said east half of said Avenue; that said Company shall be liable to said City of Alliance for any and all damages said city may sustain by reason of any defect in construction of, or failure to maintain said sidetrack or said crosswalk and crossing over the same; that the location and construction of said sidetrack by said Company shall be construed to be an acceptance by said company of the conditions and limitations herein provided for.
- Section 3. That the ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed March 5, 1906.

Ordinance No. 207.

An ordinance granting the right of way to the Reeves Brothers Company for a railroad switch across Rush Street and the First Alley East of City Lot No. 111, in the City of Alliance, Ohio.

Section 1.

Be it ordained and enacted by the Council of the City of Alliance, Ohio, that there be and is now ^{hereby} granted to the Reeves Bros. Company of Alliance, Ohio, its successors and assigns, a right of way for the uses and purposes of laying a sidetrack or switch across the following public grounds of said City, to-wit: Across the first alley east of City lot No. 111, in a northwesterly direction parallel to and immediately south of the present railroad switch of the said Reeves Bros. Company, also across Rush Street in a northwesterly direction from near the center of said City lot No. 111, in a straight line to the center of the main building of said Reeves Bros. Company located to the east of said Rush Street.

Section 2.

That the grant aforesaid is to be construed to be for the location of a single sidetrack or switch for the private use of said Company, and shall not be so construed or laid in such a manner as will in any way interfere with the established grade of said alley and said Rush Street, without the consent of the Council of the said City of Alliance; that when such sidetrack or switch shall be constructed, said Company shall be at the expense of restoring said street and alley to a good condition as they now are, less the necessary injury attendant upon the construction of said sidetrack; that the said grant aforesaid is to continue as long as said Company, or its successors and assigns, shall use said sidetrack for its private use. that it is a condition of this grant that if at any time in the future it shall be deemed necessary by the Council of said City of Alliance to pave or improve said Rush Street or said Alley, said Company shall be at the expense of paving or improving such part of such alley and street as may be then occupied by said sidetrack; that said street and said alley shall be continued to be under the control of said City, and that said City reserves the right to change the grade of said street or alley and to compell said Company to conform to the same without any liability for damages because of such change; that said Company shall provide and maintain at its own charge, suitable crosswalks and the road crossings over said sidetrack on said street; that said Company shall be liable to said City of Alliance for any and all damage which said City may sustain by reason of any defect in the construction of, or failure to maintain, said sidetrack, or said crosswalk and crossing over the same; that the location and construction of said sidetrack by said Company shall be construed to be an acceptance by said Company of the conditions and limitations provided for in this ordinance.

Section 3.

That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Ordinance No. 225.

To issue bonds for the purpose of enlarging and improving the municipal water works.

Be it ordained by the Council of the City of Alliance, State of Ohio, two-thirds of the members elected thereto concurring:

Section 1.

That it is deemed necessary by the Council of the City of Alliance, to issue and sell the bonds of said City in the sum of Nine Thousand and five hundred (\$9,500.00) dollars, for the purpose of enlarging and improving the municipal water works, according to plans, specifications, and profiles, now in the office of the department of public service.

Section 2.

That the bonds of the said city be issued in the sum of \$9,500.00 for the aforesaid purpose; each of said bonds to be in the denomination of five hundred dollars, and numbered consecutively from 1367 to 1385 and all made payable on the first day of July, 1916, and bearing interest at the rate of 4 per cent per annum, payable semi-annually, evidenced by coupons attached thereto; said bonds shall be dated July 1st, 1906, and shall run for a period of 10 years from said date; and said bonds shall be payable at City Treasurer's Office in the City of Alliance, State of Ohio.

Section 3.

Said bonds shall express upon their face the purpose for which they are issued and that they are issued in pursuance of this ordinance. They shall be prepared, issued and delivered under the direction of the finance committee of Council and the City Auditor and shall be signed by the Mayor of said City Auditor and sealed with the corporate seal of said city; and the interest coupons attached to said bonds shall be executed by the City Auditor with his signature thereon, he shall have his signature printed lithographed thereon.

Section 4.

Said bonds shall be first offered at par and accrued interest to the trustees of the sinking fund in their official capacity, and if the sinking fund trustees refuse to take any or all said bonds at par and interest, then said bonds not so taken shall be advertised for public sale, and sold in the manner provided by law, but not for less than their par value and accrued interest.

Section 5.

The proceeds from the sale of said bonds, except the premiums and accrued interest thereon, shall be placed in the City Treasury to the credit of the water fund and shall be disbursed upon proper vouchers for the purpose of enlarging and improving the municipal water works, and for no other purpose; and the premiums and accrued interest received from such sale shall be transferred to the trustees of the sinking fund to be supplied by them in the manner provided by law.

Section 6.

This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Ordinance No. 229.

An Ordinance leave and permission to the Alliance, Akron and Cleveland Railroad Company to, Construct, Maintain and Operate a Street Railroad Over, Along and Upon a part of Main Street, In the City of Alliance, State of Ohio, Whereas, on the 15th day of January, 1906, The Alliance, Akron and Cleveland Railroad Company made applications in writing to the Council of the City of Alliance State of Ohio, for the right to construct, maintain, and operate a street railroad over, along and upon a certain part of Main street in the City of Alliance, State of Ohio, hereinafter specifically set forth, And,

Whereas, on the fifth day of February, 1906, a resolution was duly passed establishing a street railroad route over such street and notice of the establishment of said route and of said application was duly published according to law. And,

Whereas, the Alliance, Akron and Cleveland Railroad Company has made a bid for said route, which said bid offers rates of fare which are the lowest rates bid, and has previously obtained the written consent of a majority of the property holders upon said part of Main street of the line of said proposed railroad represented by the feet front of property abutting thereon, and the said consents have been filed with the City Auditor.

Therefore, be it ordained by the Council of the City of Alliance, State of Ohio.

Section 1.

That, the said, The Alliance, Akron and Cleveland Railroad Company, its successors and assigns, are hereby granted the right and permission to construct, maintain and operate a single track street railroad to be operated by electricity or other motive power except steam, with the necessary switches, turnouts, curves, loops, Y's, poles, wires, and all other necessary fixtures and apparatuses, over, along and upon the following route in the City of Alliance, Ohio, viz:

Beginning on the West line of Arch street and running thence West over Main Street to the center line of Rockhill Ave.,

Section 2.

That said Company, its successors or assigns, shall construct, complete and have in full running order all of said line before Apr. 1, 1908, and failure to complete and operate said road upon said street within the time herein specified shall work a forfeiture of all rights, privileges and franchises herein granted, upon the passing of resolution by the City Council to that effect.

Section 3.

That the said Company, its successors and assigns, shall carry passengers for one continuous trip over said route, also to any part of the corporation where cars of the Alliance, Akron and Cleveland Railroad Company may be run in the future by appropriation of tracks or extension of route, upon the following terms, to-wit: single cash fare four (4) cents; 8 tickets for twenty-five (25) cents; and said Company may charge a reasonable compensation for carrying packages or luggage on those cars.

Section 4.

The foregoing rights and privileges and franchises are granted upon the following conditions:

1st. Said railway shall be of the gauge known as the Standard Gauge and no other, and be laid as near the center of the street as practicable.

2nd. The person or company building or operating said Electric Railroad with any and all rules and provisions that may be hereafter passed and adopted by the City Council, touching the equipment of said railroad.

3rd. At the time of building said tracks over said street, said company shall repave between the rails of such track and so much more as may be removed and disturbed in the construction of said tracks with the same material and in conformity with the same specifications as were originally used and adopted upon such streets and under the direction of the City Engineer. The said Railroad Company shall pay to the owners of property abutting upon said route, and to the City of Alliance, a proportionate share of the cost and expense of paving said street, which shall amount to the original expense of paving said street between the rails and for the distance of nine (9) inches outside of the rails on either side of said tracks, and shall thereafter keep this much of the street paved and in good condition throughout the term of this franchise.

4th. Whenever it shall be deemed necessary by Council to grade, pave, macadamize or improve any street or parts of streets where said tracks are laid or are about to be laid, the said Alliance, Akron and Cleveland Railroad Company, or their successors, shall be required to pave any or all parts of the track between the rails and nine (9) inches outside of same with gravel, stone or other material, and in such manner as Council may require, and to maintain and keep in good repair to the satisfaction of the Board of Public Service the same during the continuance of this franchise, and in case of failure to do this, reasonable notice having been given, then the City may do such paving or repairing and assess the cost of same against said Company in the same ordinance with property owners on said streets, or by a separate ordinance, and may collect amount thereof and cost incurred by suit or otherwise according to law. All such amounts shall be paid and remain a lien against property of the Company until paid. The paving and repairing above named to be done under the direction and to the acceptance of The Board of Public Service.

5th. The City of Alliance, Akron and Cleveland Railroad Company or their successors, for any damage they may sustain by reason of any fire, or repairing of any gas or water pipes, or in the relaying of same, and it is hereby ordained that any destruction or damage sustained by any person to themselves or their property by said company, or their successors, or any of their employees, or resulting from the running or operation of any cars, said Company shall be liable to all such persons sustaining the same, and shall protect and defend the City against damage in the case.

C. O. Sher

6th. All tracks, turnouts, etc., where streets are paved or macadamized, to be laid upon a sub-grade of at least nine (9) inches of good gravel or other ballast of equal quality beneath the bottom of the ties with necessary sub-drainage in accordance with specifications of City Engineer. Said tracks to be so constructed further as to be no impediment to ordinary use of streets and to permit free flow of water, and conform to such grade as is now or may hereafter be established by Council and subject at all times to be taken up and relaid when deemed necessary by Council for purpose of repairing or improving said streets, laying sewers, pipes, etc., at the expense of said Alliance, Akron and Cleveland Railroad Company.

7th. The City to have the right to string wires for fire alarm purposes, or for street light purposes, upon the poles of said Alliance, Akron and Cleveland Railroad Company, within City limits, providing same is done in such a manner as not to interfere with the wires of the Company.

8th. The Alliance, Akron and Cleveland Railroad Company to maintain a good light at all street crossings and other especially dangerous places until midnight, or such later hour as cars may run.

9th. Any person shall be allowed reasonable time to move any building or other movable substance, across or upon said tracks, provided that such person shall first have obtained the consent of the Mayor.

Section 5.

The rails to be used on said street to be a nine (9) inch girder rail and the poles shall be of iron of an approved pattern, both to be placed subject to approval of City Engineer and City Council.

Section 6.

The Company or person operating said railroad shall at all times hereafter defend, keep harmless and indemnify the City of Alliance from all damages, lawful claims and demands for injuries to persons or property and costs and expenses to which said City may be subjected or made liable by any proceedings at law or in equity or otherwise growing out of the grant of the privileges of this Ordinance set forth, or out of the exercise and enjoyment of the same.

Section 7.

That should the person or Company owning or operating said road, their successors or assigns, fail to operate any cars upon said street for a period of ten (10) consecutive days, except in case of strike or unavoidable accidents, then this franchise is to become null and void, at the option of the City Council.

Section 8.

This grant shall remain in force for the period of twenty-five (25) years after its acceptance by the said Alliance, Akron and Cleveland Railroad Company.

Section 9.

This ordinance shall take effect and be in force from and after the earliest period allowed by law and after the filing with the City Clerk of the written acceptance thereof by the Alliance, Akron and Cleveland Railroad Company.

Ordinance No. 264.

To grant to the Alliance Fuel Co., their successors and assigns, the right to lay, bury, maintain, operate, repair and remove gas mains and pipes in, through and under the streets, alleys and public grounds of the City of Alliance, Ohio, for the transportation, supply and sale of natural and artificial gas to the said City of Alliance, Ohio, and the inhabitants thereof.

Be it ordained and enacted by the Council of the City of Alliance, Ohio, as follows:

Section 1.

That the Alliance Fuel Co. their successors and assigns, be and are hereby granted the right to enter upon the streets, alleys, and public grounds of the City of Alliance, Ohio, and to dig trenches and to lay and bury therein and maintain, and operate, repair and remove gas mains and pipes of standard weights and quality and of such sizes as the said company shall deem best for the transportation, supply and sale of natural and artificial gas to the said City of Alliance, O., and the inhabitants thereof, and to all persons, firms, corporations, associations or other consumers thereof, residing or doing business in said City, together with the right to construct and maintain, repair and remove all necessary regulators, valves, curbs, boxes, safety appliances and other fixtures or appurtenances thereto appertaining or belonging.

Section 2.

That all work done in or on any of the streets, alleys and public grounds of said City in the original construction, making of repairs, or removal of pipes, shall be done under the direction and supervision of the City Civil Engineer, and all trenches and ditches shall be dug, pipes laid therein, the ditches and trenches be closed, and all paving replaced in the shortest time possible consistent with proper skill and safety and all pavements, sidewalks or other improvements removed or in any manner interfered with shall be replaced in as good ^{and substantial} condition as the same were ⁱⁿ before such removal or interference and all work shall at all time so as to interfere as little as possible with the public use and travel upon such streets and alleys and public grounds. Said Company shall lay and maintain its pipes in conformity with the grades of the respective streets, alleys and public grounds as they now are, or may be changed to hereafter, and said Company shall not be entitled to any damages by reason of any future change of the grade of any street, alley or Public grounds in said City.

Section 3.

That in case said Alliance Fuel Company shall at any time fail, neglect or to properly replace any pavement by it removed or disturbed, or shall fail, neglect or refuse to properly repair any improvement that may have been in any manner interfered with by it in the construction, removal, repair or operation of its said lines of pipes, the City of Alliance, O. may after written notice shall have been first given to said Company at its office in the City of Alliance, Ohio, proceed to make such repairs and do such repaving, and the cost and expense thereof shall be paid to said City by said Company, their successors or assigns upon demand thereof. Said Company shall in the construction, operation, maintenance and repair of its lines of pipes, comply with all and singular

Section 4.

Ordinances of the City of Alliance, Ohio, and shall in the prosecution of their work, place such lights and danger signals as may be necessary, customary or usual in the prosecution of such work and said Company shall be liable for any damages arising from any failure to place such lights and danger signals as are necessary or proper. That said Alliance Fuel Company, their successors and assigns, shall protect, keep and save harmless the City of Alliance, Ohio, from all damages, loss, and cost and expense arising from any accident leak or explosion, occurring during the construction, maintenance or operation of their lines of pipe in the said city, and said Company shall not in any manner interfere with the rights, privileges franchises or property of any person, company, or corporation now owning or operating, or that may ^(hereafter) own or operate any system of gas pipes in said City nor with the water pipes or sewers of said City nor with the operation of any street railway in said City.

Section 5.

That said Alliance Fuel Company, their successors and assigns, shall at all times be subject to and observe all reasonable regulations and conditions which the said City may hereafter ordain as to the use, maintenance and operation of its lines of pipes, for the due protection of the inhabitants of said City and said Company shall lay, maintain and operate their pipes only in the alleys of said City except where it may be necessary to cross a street or avenue at the intersection of the same with the alley along which the pipes of said Company are being laid and also except when special permission shall be given to lay, maintain and operate the same along specified streets or avenue or upon specified public grounds, by resolution of the council of said City.

Section 6.

That the Maximum rate at which said Alliance Fuel Company, its successors and assigns, shall be required to furnish natural gas to the consumers thereof in said City for and during the period of ten years from the passage of this ordinance, shall not exceed 40 cents for each one thousand cubic feet of gas sold and delivered, provided the same shall be paid for on or before the 10th. day of the month next following that in which such gas is delivered to the consumer thereof, but if at any time during said period of ten years any gas delivered is not paid for until after the 10th. day of the month next following that in which such gas is delivered to the consumer thereof, but if at any time during said period of ten years any gas delivered is not paid for until after the 10th. day of the month next following that of its delivery, as aforesaid, then said company may charge an addition sum of two per cent per thousand

cubic feet, and the said Company shall, for and during said period of ten years, charge and receive from the consumers of any natural gas by it sold and delivered, a sum not to exceed the said maximum rates above set forth and said company shall make a reduction therefrom of ten per cent for all gas sold and delivered to the City of Alliance, other than is hereafter provided, or to any of the ^(public) school buildings or churches therein, but said Company shall furnish and supply natural gas to the City of Alliance, Ohio, free of charge for the purpose of heating and lighting such of its City buildings, other than school buildings, as may be situated along the lines of its pipes, as the same are from time to time constructed. In consideration of the foregoing the City of Alliance shall not, for and during the ^{said} period of ten years, pass any ordinance fixing or attempting to fix the rates at any lower price than aforesaid.

Section 7. That said Alliance Fuel Company, their successors or assigns, shall commence to lay mains and pipes in the City of Alliance, Ohio, within one year from the date of this ordinance and shall thereafter continue to lay pipes fast enough to supply the demands of the citizens and others of the said City who desire to use natural gas, so far as possible.

Section 8. That all of the conditions herein provided to be observed by said Alliance Fuel Company shall be equally binding upon their successors or assigns, whether specially mentioned herein or not and in case of any failure upon the part of said company their successors or assigns, to comply with the provisions of this ordinance in any of the particulars herein contained, by it to be kept and performed, then all of the rights and privileges and franchises herein granted shall revert to said City and shall become null and void at the option of the Council of said City.

Section 9. That said Company shall pay for the legal advertisement of this ordinance as provided by law and this ordinance shall take effect and be in full force from and after its passage and legal publications.

Ordinance No. 293.

Section 1.

An ordinance granting the right of way to the Alliance Gas and Electric Company to construct an over-head track or switch across Front street between Franklin and Wood avenues in the City of Alliance, Ohio. Be it ordained and enacted by the Council of the City of Alliance, Ohio, that there be, and now is, hereby granted to the Alliance Gas and Electric Company of Alliance, Ohio, its successors and assigns, a right of way and the right to construct an overhead trestle work for the uses and purposes of laying a sidetrack or switch on said trestle work at a height not less than 12 feet from the street grade across the following public grounds of said City, to-wit: Commencing at the North right of way line of the Pittsburgh, Ft. Wayne & Chicago Railroad; thence in a northeasterly direction across Front between the center of Franklin avenue and the center of Wood avenue in the City of Alliance, to the premises now occupied by the Gas Plant of the said The Alliance Gas & Electric Company.

Section 2.

That the grant aforesaid is to be construed to be for the location of a single track or switch of standard gauge, for the private use of said Company, and shall be constructed on a substantial trestle work not less than 12 feet from the clear from the street grade of said Front street, and in such manner as will not interfere in any way with the travel on said Front street within the street lines, nor shall it interfere in any way with the established grade of said street without the consent of the Council of said City; that said side track and trestle work supporting the same shall be so constructed as to leave Front street in as good condition as it now is less the necessary injury attendant upon the construction of said tracks and trestle work; and said trestle work shall be planked so as to prevent materials transported over the same from falling upon the street below; that the grant aforesaid is to continue for a period of twenty-five (25) years from the time this ordinance becomes effective; that said Front street shall continue to be under the control of said City, and that the City reserve the right to change the grade of said Front street and to compel said Company to conform to the same without any liability for damages because of such change; that said Company shall provide and maintain at its own charge and under the direction of the city Engineer a substantial and secure structure over said Front street, and that said Company shall be liable to said City of Alliance for any and all damage said City may sustain by reason of any defect in the construction of or failure to maintain said side track and trestle work in a safe condition and said Company shall at all times properly light all parts of the trestle work itself, also the streets adjoining for a distance of not less than 120 feet upon either side thereof, for the protection and convenience of all persons and vehicles, using Front street; and said Company shall defend all actions brought against the City of Alliance, resulting from the construction of said trestle work or from failure to maintain the same in a safe condition, and

shall indemnify the City of Alliance from any judgement which may be rendered against it by reason thereof; that the location and of said side track and trestle work by said company shall be construed to be an acceptance by said company of the conditions and limitations herein provided for.

Ordinance No. 301.

To vacate that part of the first alley, south of Cambridge and due north of Town lot 2403.

Whereas on the 2nd day of July 1906, a petition by the abutting lot owners was duly presented to Council praying that that part of the first alley south of Cambridge St. between the first alley west of Meadow Ave. and the right of way of the Cleveland and Pittsburg railroad be vacated, and notice of the pendency and prayer of said petition having been given as required by law, by publication in The Alliance Review, a newspaper of general circulation in the corporation for six consecutive weeks, ending August 20, 1906.

And whereas, Council upon hearing is satisfied that there is good cause for such vacation as prayed for, that it will not be detrimental to the general interest, and ought to be made now; therefore,

Be it ordained by the Council of the City of Alliance, Ohio:

Section 1. That said first alley south of Cambridge and between the first alley west of Meadow Ave. and the right of way of the Cleveland and Pittsburg railroad, be and the same is hereby vacated.

Ordinance No. 286

Determining to proceed with the improvement of High St. from alley west of Mahoning Ave. to Meadow Ave. by constructing Sanitary Sewer No. 77.

Section I
Be it ordained by the Council of the city of Alliance, O. That it is hereby determined to proceed with the improvement of High St. from the alley west of Mahoning Ave. to Meadow Ave. by constructing a Sanitary Sewer in accordance with a resolution passed on April 6th 1906, No. 219, and in accordance with plans & specifications, estimates & profiles, now on file in the office of the Dept. of Public Service.

Sect II. That the whole cost of said improvement shall be assessed by the foot frontage upon the following lots & lands to wit: All the lots & lands bounding & abutting on the proposed improvement.

Sect. III. That the assessments so levied shall be paid in three annual installments, with interest on deferred payments at five per cent per annum, provided that the owner of any property assessed may at his option pay such assessment in cash within thirty days from the passage of the assessment ordinance, in which case said assessment shall not include any item of interest upon the notes to be issued, or issued in anticipation of the collection of deferred installments of assessments.

Sect. IV. That the character of the materials which may be bid upon for said improvement shall be as are specified in the aforesaid plans & specifications.

Sect. V. That the Board of Public Service be and is hereby authorized & directed to make and execute a contract for said improvement with the lowest and best bidder after advertising according to law.

Sect. VI. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Ordinance No. 376.

To levy special reassessment for the improvement of Summit St., from S. Seneca Ave. to Mahoning Ave., by grading etc.)
Be it ordained by the Council of the city of Alliance, State of Ohio:

Section 1

That to pay the portion of the cost & expense heretofore determined to be specially assessed for the improvement of Summit St. (or avenue) from S. Seneca Ave. to Mahoning Ave., by grading, sewerage, curbing and paving, there to be levied and assessed upon each front foot of the lots and lands abutting upon the said street, (or avenue) between the said termini, (the sum of two dollars, forty five and nine tenths cents (\$2.459)), it being determined and hereby declared by said Council, that each of said lots and lands are benefitted by said improvement in an amount equal to the sum hereby assessed upon the same.

(Also, that there be assessed upon the Stark Elec. R. R. Co. the amount of \$255.04, the same being the amount of the cost and expense of the said improvement chargeable to said company by the terms of the franchise.)

Section 2.

That the total assessment against each lot shall be payable in cash within thirty days of the date of the final passage of this ordinance, or in 5 annual installments with interest at the rate of 4 per cent. per annum upon said installments, at the option of the owner.

All cash payments shall be made to the City Treasurer.

All installments of assessments shall be certified by the clerk of Council to the Co. Auditor, on or before the second Monday in September, annually, to be by him placed upon the tax duplicate and collected as other taxes are collected.

Section 3.

That the said annual installments and all portions therefor, shall be applied to the payment of said bonds and the interest thereon as the same shall become due, and to no other purpose whatsoever.

Section 4

That any payment or payments heretofore made by the owner or owners of property abutting on said improvement, by reason of an alleged ordinance passed June 19, 1906, entitled "To levy special assessments for the improvement of Summit St. from S. Seneca Ave. to Mahoning Ave." shall be credited on said owner or owners' assessment under this ordinance.

Section 5.

That an ordinance, entitled "Ordinance No. 736, to levy special assessments for the improvement of Summit St. from S. Seneca Ave. to Mahoning Ave.," passed June 19, 1906, is hereby repealed, and this ordinance shall take effect & be in force from and after its passage & legal publication.
