The following communication was received and read and referred to the Committee on sewers.

Alliance, Ohio  
January  
Nineteenth  
1920

The Honorable Council of  
The City of Alliance, Ohio.

Gentlemen:

As the City has contemplated constructing a storm sewer up to Watson Avenue, and as we see the necessity of extending said sewer across Watson Avenue we therefore took the matter up with the County Commissioners and they gave to the City of Alliance 190 feet of 36-inch reinforced concrete sewer pipe.

We therefore petition the Honorable Council to pass the necessary legislation to construct said sewer, expenses, including drayage, to be paid one-half by the City and one-half by Geiger Bros., and extend said sewer 120 feet west of Watson Avenue.

Respectfully yours,

Max Geiger
