The following communication was received from Mr. J. R. Bowles and referred to the committee on streets and alleys and the City Engineer.

Alliance, Ohio, 1/22/21

City Engineer:

Dear Sir:

I saw in the paper Friday that the City Council is to meet Monday night in regards to street improvements. It will be appreciated very much if you would try and have something done with Cherry Avenue as it is in a deplorable condition. I took me two hours to dig my auto out of the ruts yesterday and takes 15 to 20 minutes to get from 23rd to Mill St. Hoping you will look into this matter and have it paved or something.

Communication from J. R. Bowles regarding improvement of Cherry Ave.

I am Respectfully yours,
J. R. Bowles,
2237 Cherry Avenue,
City.

The following petition was presented to Council and referred to the committee on streets and alleys.

PETITION FOR PAVING

NOTE: This petition should be signed in ink by the owner or owners of the lots abutting on the street, that is, each person in whose name the title to the property is recorded, should sign, and the signer should set up not the house number but the lot number and the frontage of the same.

Petition presented to Council for improvement of Fulton Street

To the Council of the City of Alliance, State of Ohio:

Gentlemen:

We, the undersigned, being owners of the number of feet set opposite our names below and being three-fourths or more in interest of the owners of property abutting upon Fulton Street, between the east curb line of Liberty Avenue and west curb line of Webb Avenue in said City, respectfully petition your Honorable Board for an improvement of said street between the points aforesaid by draining, grading, curbing, and paving with brick block, and that the entire cost of said improvement except only such portions thereof as is by law chargeable against the municipality be assessed by the foot front upon the lots and lands bounding and abutting upon said Fulton Street between points aforesaid.

And the undersigned and each of them consent and request that said assessments be levied and collected without reference to the value of the property of the subscribers hereto and waive all benefits of the statute limiting assessments to 33-1/3 per cent of the actual value of the property assessed, and hereby agree to pay the assessments as levied on their respective properties and waive all errors and technicalities that may arise in connection with said improvements and agree to pay the entire cost of said improvements except only such portions thereof as is by law chargeable against the municipality; said assessments to be payable in ten semi-

annual installments proportioned to the whole assessment or in cash at the option of the owner of the property assessed, in the manner provided by the law for the levy and collection of assessments.
