The following petition was presented to council and referred to the committee on streets and alleys.

TO COUNCIL AND COMMITTEE ON STREETS OF ALLIANCE:

Petition expressing dissatisfaction in regard to the width of the proposed improvement of S. Arch, Main St. to Milner St.

We, the undersigned, property owners on South Arch Avenue hereby wish to express our dissatisfaction in regard to the width of proposed pavement between Milner and Main Streets. We feel that an addition of two feet on each side of said avenue will give sufficient width for traffic. This will make the proposed improvement conform to the part of Arch Avenue south of Milner Street, and save shade trees.
