Communication
from Daughters
of Veterans

The following communication was received and read.

Alliance, Ohio, June 17th 1911

To the Honorable members of City Council

Alliance, O.

The order of the D of V's of this city, has ordered me by a unanimous vote to express our thanks and commendation to you, for the manner in which you settled the parking of the public service

with all that was brought to bear we realize, you had no easy task before you. But if Alliance is to be an attractive city, it must be made beautiful. As well as having its industries and outside trade looked after. No doubt you will be severely criticised by a few for the action you took, but on the other hand we have good reasons to know that $\frac{3}{4}$ of our population will commend you highly. Members of our Society who attended some of the Council meetings appeared at a disadvantage as none of them went prepared to give you oratory neither did they expect to be called on for remarks.

We were not the prime movers in the affair we went there as backing for those who were, and to have you realize that we really wanted a Soldiers monument on the square and the square beautified.

In fact you will find us willing to support anyone who is in favor of beautifying our city.

Again thanking you for your action we beg to remain

Very respectfully,

Clara Taylor.

Secretary D. of V's
