To the Council of the City of
Alliance, Ohio

A proposed street has been laid out across
outlots 13 and 15 immediately west of the right of way
of the Stark Electric Railway Company, from North
Union Avenue to Pine Street. We will agree
that we will dedicate a street, not to exceed
forty (40) feet in width, immediately west of
right of way, on the condition that the same be
paved and curbed and sewer laid in the
same by the city or by such persons as
greatly desire to have the street established,
and also that the street assessment on
North Union Avenue be eliminated, as
to outlot 15 on that part of the street.

Which would then become an interlocking
On a forty (40) foot street, it would
amount to about fifty (50) feet.

Yours truly,
