To the Honorable City Council

Gentlemen -

We, the undersigned, respectfully represent to your Honorable Body, that we are the owners of the number of feet of property set opposite our names below fronting and abutting upon West College Street between Union Avenue and Miller Avenue, that after carefully examining the present established grade on the said portion of said street, to which grade the City of Alliance is proceeding to improve said street, we fully believe that the said improvement would more benefit the abutting property on said street, between point named, if it were not improved according to the present established grade, but would be improved in accordance with a new grade as delineated on the Blue Print plans attached and made a part of this petition.

Wherefore, we most respectfully request that your Honorable Body pass the necessary legislation to change the grade on West College street between Union Avenue and Miller Avenue, as shown on said attached

blue print, said blue print having been prepared by the City Engineer; and if your Honorable Body shall grant this petition and make such change of grade, as hereinbefore requested, each of the undersigned by signing this petition below, hereby expressly waive all rights and claims to any damage to his or her property thereon fronting or abutting by reason of such change of grade.
