Minutes read and approved

Report of Mayor Johnson for fines, licences, and side walk tax collected during the month of February amounting to \$36.82 was read on motion of Webb seconded by Dransue accepted and ordered filed

The Committee to whom was referred the Petition of Mrs. H. Jenkins reported as follows
To the Hon. Mayor & Council

That the Committee appointed to examine into the Petition of Mrs. Jenkins to release her property from what she considers unjust taxation beg to hand in our report negatively we find under any circumstances that we have not the power to do so, to pass an act without serious complication to other

property holder who are petitioning for like
privileges as does, and a number of other
property holders not having signed her peti-
tion whose properties are now held liable for
bonds and mortgages due by the town.

Respectfully,

G. B. W. Coates
