The Solicitor to Whom was
 referred the Matter of Legality of Cemetery
 Trustees reported ^{verbally} that the Ordinance
 relating to Cemetery Trustees requires more
 of them by way of qualification than
 is required by Statute and while the
 Trustees may have qualified in the man-
 ner required by Statute I find no
 record of their having fulfilled the
 requirements of the Ordinance I think
 the best plan to dispose of the Matter
 will be for the Trustees to come in &
 qualify & proceed with their duties

Stanley Moved that the Solicitor be
 instructed to Notify the Cemetery Trustees
 to take the oath of Office and give
 bond as required by Law Secured
 by Truett & Carver
