The Committee to whom was referred
 the Petition for grading Arch Street. Report
 as follows

If the finances would justify
 we would report favorable on the prayers of
 the petitioners but as the town is not able
 to do said work complete at this time
 we would recommend that the gutters on
 either side of street be opened to the grade
 or that the water be carried off without
 intruding on sidewalks and the street be
 put in to shape between the gutters that
 they may be passable and that no danger
 may occur by reason of said gutters be made
 level
