Burk then read the following communication:
 To the City Council of Alliance Ohio. Gentlemen
 We the Members of your citizens committee appointed to investigate as to the merits of the different materials to be used in the construction of the pavement to be put down between South Habb Street and The Cleveland and Pittsburgh R.R. also to meet with the Contractors proposing to do the work would recommend that the bid of Messrs Shaffer & Rue be accepted. With the provision that they furnish bond to the amount of two thousand dollars to indemnify the City of Alliance against any defective work or material

The said bond to cover a period of five years after the completion of the work we would also recommend that the work be commenced immediately. We would further recommend that brick be used as per Specifications

T. R. Morgan Sr
J. Edwards

Mel Penrock
President

Clerk

Council Chamber Alliance O Aug 26/89
 Council met in adjourned session with
 President Pennock in the Chair and the following
 members present Betts Bush Easley Miller
 Hull Johnson Brinker Crubaugh
 Minutes of preceding meeting read and
 approved.

President Pennock read following notice to
 The Alliance Street Railway Co.

You are hereby notified that in accordance with the
 Petition of a legal number of the owners of
 Property abutting on Arch Street in this city of
 Alliance from the north side of Summit Street
 to the north side of Milner Street on the line
 of the same and also of the petition of yourself
 in like manner through your secretary and
 general manager as your representative the city
 council of Alliance has taken the necessary steps
 to improve and pave said Arch Street
 along its line between the points above named and
 have accepted the proposition of a contractor
 to complete the work. Said improvement
 and paving to be made and completed in
 form and manner as set forth in specifications
 prepared by and on file with the engineer
 and to his acceptance and approval and that
 of the council. You are hereby further
 notified that in accordance with the
 provisions of an ordinance granting you
 amongst other things the right of way through
 said Arch Street passed July 31 1888. You
 are required to grade, fill, and pave all
 the space occupied by your road bed from
 track to track in width and extending
 on said street from point to point above
 named. This grading and filling
 and paving to be done in such manner
 and each part composed of such
 materials as are named in the specifications
 for the improvement and paving of
 Arch Street on file with the engineer
 and to the acceptance of him and the
