

Love moved the adoption of the resolution seconded by  
Coryer the yeas and nays were called resulting yeas  
Buck Coryer Davidson Gable Harris Love Williams Wilson  
Yeas 8 nays none, and the resolution was declared adopted

ad for bids to advertise for bids for the construction of A storm water  
for Rushst sewer on Rush Street, and to advertise for labor and material  
sewer separately. the material to consist of 24 inch sewer pipe of the  
quality known as seconds, and to be subject to the approval of  
the sewer committee and engineer seconded by Buck and Carriel.

And on motion of Harris the specifications were so  
amended as to specify the kind of material to be used  
Armstrongy Harris reported that Mrs Armstrongy desired to  
to tap open the sewer near the intersection of Main and Seneca Streets  
sewer for the purpose of draining a cellar and permission was granted  
for the same to be done under the direction of the street committee

Davidson moved that the engineer be  
engineer instructed to set grade stakes for sidewalks on Washington Street  
set stakes seconded by Williams. some objections were raised to so  
of on Washington ordering the engineer unless council was satisfied that the  
street property owners would at once construct such sidewalks, and on  
motion of Love seconded by Coryer the motion was so  
amended as to refer the matter to the sidewalk committee to  
report at next meeting

Attention was called to the necessity of  
Repair doing some work at the alley on main Street adjoining the  
alley new building of L & S Fordings and the same was referred to  
the Street Committee with power to act.

Davidson reported a deep ditch at the  
Hester corner of Hester Avenue and Harrison Street, which needed  
avenue some attention and the same was referred to the Street  
Committee and Engineer to report at next meeting an  
Estimate of the cost of placing the same in good passable  
condition.

Davidson reported that the building of  
Union the Street Railway on north Union Avenue had so  
over bridge occupied the street that just north of the P. F. W. R. R. there  
sewer would not be room left to drive on the east side of the tracks  
the street being narrow at that point caused by the  
run or stream encroaching upon the street and  
moved that the engineer and Street Committee be  
report at next meeting a plan and estimate of cost

of widening the street at that point seconded by  
Conyer and carried

Repair alley  
on Seneca at

Love reported that the alley crossing  
on Seneca Street and first north of Summit  
needed some attention the same being  
higher than the sidewalk and the same was  
referred to the Street Committee.
