Council Chamber Alliance Ohio
August 6th 1894

Council met in regular session with President Bush in the chair and the following members present. Buck Conger Cartwright Harris Kay Mahaney Trail. absent Davidson Sefert Williams Wilson. Minutes of preceding meeting read and approved

Sanitary — A communication from Daniel Joseph Sanitary Policeman calling attention of Council to a nuisance on Rosenberry Street consisting of an open sewer was presented and on motion of Buck was received and ordered placed on file. Buck offered the following resolution and moved its adoption. Resolved by the

motion to extend sewer on Rosenberry street Last — Council of the City of Alliance that it is necessary to extend the sewer on Rosenberry Street to the Railroad and along said Railroad to the Culvert on the same a distance of about 300 feet and the Clerk is hereby instructed to advertise ~~the~~ for bids to construct the same Cost estimated not to exceed ($75.00)" Trail seconded the motion to adopt. the Yeas and nays were called resulting Buck Kay Trail Bush Nays Conger Cartwright Harris Mahaney. Yeas 4 nays 4 and the Motion to adopt was declared lost.

The finance committee reported having approved a number of bills

approval of bills and passage of Claims Ordinance

and asked that the bills of Berger & Macauley for building the Union Avenue Sewer and L. E Chapin consulting Engineer be acted on by council before being approved by the Committee. Kay stating that the bid of Berger and Macauley for the Union Avenue Sewer was $345.75 and the bill for the same being $373.45. The Engineer reported that he in connection with the committee in charge of said work had deemed it necessary to have the Sewer built some farther there originally intended and had so instructed the Contractors and the bill was at the same rate per foot as the original bid. President Bush reported that in a Conversation between himself. the Sewer committee and Mr Chapin it was understood that Mr Chapin should act as Consulting Engineer at the price named in the bill Viz $35.00 per month for such time as Council might desire. Harris moved that the bills both be allowed. seconded by Reid and Carried Yeas 5 nays none. The bills approved were then read and there not being sufficient money in certain funds to pay the same. Kay moved that there be apportioned from any unapportioned money in the treasury to the street fund $118.00 and to the Salary fund $16.00 seconded by Harris and Carried.

Harris Moved that the bills as read be allowed and that an ordinance be prepared providing for their payment seconded by Buck and Carried. The ordinance being prepared was read. and Conyer Called attention to the bill of the water Works Company for 2.92 for rental for five hydrants that had been put in at different times and for which no rental had as yet been paid stating that he had learned that Mr E H Brosius had agreed to pay one years rental for one of the Hydrants on Ely Street and moved that the bill of the water Works company be left out of the Ordinance and the matter be

rejection of bill of Water Wks Co

investigated. seconded by Trail and Carried
" 11 Harris then moved the Ordinance be placed on its passage seconded by Buck and the yeas and nays were called resulting. Yeas Buck Conyer Crubaugh Harris Kay Mclaney Trail Bush. Yeas 8 nays none.

Harris reported that in making the assessment on Main Street between Mechanic Street and Union Avenue there had been charged against the property abutting on said improvement the cost of paving the intersection of Main and Mechanic Streets Vis 138.00 which should be paid by the City and moved that the Clerk be instructed to make the necessary correction by a proper deduction from the installment now due from property owners. seconded by Conyer and Carried.

Rebate on West Main Street

Harris reported that Mr Randolph and St. K. Fogg had both put down good stone sidewalks along their lots on the East side of Park Street between Main and Market Streets and that there was no crossing at the alley between said walks and moved that the Street Committee furnish Council an Estimate of the Cost of Constructing a stone Crossing at that point seconded by Conyer and Carried

Crossing on Park Street

Bush reported that owing to the manner in which the curb was set at the corner of Liberty and Ash streets that during heavy rains the water overflowed the sidewalk to the damage of the Hotel Central Property. and stated that the same could be changed so as to remedy the difficulty at a cost of $5.00 and Harris moved that the strut committee be instructed to have the necessary work done at a cost not to exceed $6.00 seconded by Buck and Carried Yeas 8 nays none
