313.01 OBEDIENCE TO TRAFFIC CONTROL DEVICES.

(a) No pedestrian or driver of a vehicle shall disobey the instructions of any traffic control device placed in accordance with the provisions of this Traffic Code, unless at the time otherwise directed by a police officer.

No provisions of this Traffic Code for which signs are required shall be enforced against an alleged violator if at the time and place of the alleged violation an official sign is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular section of this Traffic Code does not state that signs are required, that section shall be effective even though no signs are erected or in place.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree. (ORC 4511.12)

313.02 THROUGH STREETS; STOP AND YIELD RIGHT-OF-WAY SIGNS.

(a) All State routes are hereby designated as through streets or highways, provided that stop signs, yield signs or traffic control signals shall be erected at all intersections with such through streets or highways, except as otherwise provided in this section. Where two or more State routes that are through streets or highways intersect and no traffic control signal is in operation, stop signs or yield signs shall be erected at one or more entrances thereto by the Ohio Department of Transportation, except as otherwise provided in this section.

Whenever the Ohio Director of Transportation determines on the basis of an engineering and traffic investigation that stop signs are necessary to stop traffic on a through highway for safe and efficient operation, nothing in this section shall be construed to prevent such installations. When circumstances warrant, the Director also may omit stop signs on roadways intersecting through highways under his jurisdiction. Before the Director either installs or removes a stop sign under this paragraph, he shall give notice, in writing, of that proposed action to the Municipality at least thirty days before installing or removing the stop sign.

(b) Other streets or highways or portions thereof, are hereby designated through streets or highways, if they are within the Municipality, if they have a continuous length of more than one mile between the limits of such street or highway or portion thereof, and if they have "stop" or "yield" signs or traffic control signals at the entrances of the majority of intersecting streets or highways. For purposes of this section, the limits of such street or highway or portion thereof, shall be a municipal corporation line, the physical terminus of the street or highway or any point on such street or highway at which vehicular traffic thereon is required by regulatory signs to stop or yield to traffic on the intersecting street, provided that in residence districts the Municipality may by ordinance designate such street or highway, or portion thereof, not to be a through highway and thereafter the affected residence district shall be indicated by official traffic control devices. Where two or more streets or highways designated under this subsection (b) intersect and no traffic control signal is in operation, stop signs or yield signs shall be erected at one or more entrances thereto by the Ohio Department of Transportation or by Council or the authorized local authority, except as otherwise provided in this section.

(c) Stop signs need not be erected at intersections so constructed as to permit traffic to safely enter a through street or highway without coming to a stop. Signs shall be erected at such intersections indicating that the operator of a vehicle shall yield the right of way to or merge with all traffic proceeding on the through street or highway.

(d) Council or the authorized local authority may designate additional through streets or highways and shall erect stop signs, yield signs or traffic control signals at all streets and highways intersecting such through streets or highways, or may designate any intersection as a stop or yield intersection and shall erect like signs at one or more entrances to such intersection. (ORC 4511.65)

313.03 TRAFFIC CONTROL SIGNAL TERMS AND LIGHTS.

Whenever traffic is controlled by traffic control signals exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination, only the colors green, red and yellow shall be used except for special pedestrian signals carrying words or symbols. The lights shall indicate and apply to drivers of vehicles and to pedestrians as follows:

(a) Green Indication:

- (1) Vehicular traffic facing a circular green signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right of way to other vehicles and pedestrians lawfully

within the intersection or an adjacent crosswalk at the time such signal is exhibited.

- (2) Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by such arrow, or such other movement as is permitted by other indications shown at the same time. Such vehicular traffic shall yield the right of way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
 - (3) Unless otherwise directed by a pedestrian-control signal as provided in Section 313.05, pedestrians facing any green signal, except when the sole green signal is a turn arrow, may proceed across the roadway within any marked or unmarked crosswalk.
- (b) Steady Yellow Indication:
- (1) Vehicular traffic facing a steady circular yellow or yellow arrow signal is thereby warned that the related green movement is being terminated or that a red indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection.
 - (2) Pedestrians facing a steady circular yellow or yellow arrow signal, unless otherwise directed by a pedestrian-control signal as provided in Section 313.05, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown and no pedestrian shall then start to cross the roadway.
- (c) Steady Red Indication:
- (1) Vehicular traffic facing a steady red signal alone shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then before entering the intersection and shall remain standing until an indication to proceed is shown except as provided in subsections (c)(2) and (3) hereof.
 - (2) Unless a sign is in place prohibiting a right turn as provided in subsection (c)(5) hereof, vehicular traffic facing a steady red signal may cautiously enter the intersection to make a right turn after stopping as required by subsection (c)(1) hereof. Such vehicular traffic shall yield the right of way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
 - (3) Unless a sign is in place prohibiting a left turn as provided in subsection (c)(5) hereof, vehicular traffic facing a steady red signal on a one-way street that intersects another one-way street on which traffic moves to the left may cautiously enter the intersection to make a left turn into the one-way street after stopping as required by subsection (c)(1) hereof, and yielding the right of way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

- (4) Unless otherwise directed by a pedestrian-control signal as provided in Section 313.05, pedestrians facing a steady red signal alone shall not enter the roadway.
- (5) Council may by ordinance, or the authorized local authority may by rule, prohibit a right or a left turn against a steady red signal at any intersection, which shall be effective when signs giving notice thereof are posted at the intersection.
- (d) Signals; Locations Other Than Intersections: In the event an official traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made at the signal. (ORC 4511.13)

313.04 LANE-USE CONTROL SIGNALS OVER INDIVIDUAL LANES.

- (a) When lane-use control signals are placed over individual lanes of a street or highway, such signals shall indicate and apply to drivers of vehicles as follows:
 - (1) A Steady Downward Green Arrow: Vehicular traffic may travel in any lane over which a green arrow signal is shown.
 - (2) A Steady Yellow "X": Vehicular traffic is warned to vacate in a safe manner any lane over which such signal is shown to avoid occupying that lane when a steady red "X" signal is shown.
 - (3) A Flashing Yellow "X": Vehicular traffic may use with proper caution any lane over which such signal is shown for only the purpose of making a left turn.
 - (4) A Steady Red "X": Vehicular traffic shall not enter or travel in any lane over which such signal is shown. (ORC 4511.131)
- (b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree. (ORC 4511.99)

313.05 PEDESTRIAN CONTROL SIGNALS.

(a) Whenever special pedestrian signals exhibiting the words "walk" or "don't walk," or the symbol of a walking person or an upraised palm are in place, such signals shall indicate the following instructions:

- (1) "Walk" or the symbol of a walking person: Pedestrians facing such signal may proceed across the roadway in the direction of the signal and shall be given the right of way by the operators of all vehicles.
- (2) "Don't walk" or the symbol of an upraised palm: No pedestrian shall start to cross the roadway in the direction of the signal.
- (3) Nothing in this section shall be construed to invalidate the continued use of pedestrian control signals utilizing the word "wait" if those signals were installed prior to March 28, 1985.
(ORC 4511.14)

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.
(ORC 4511.99)

313.06 FLASHING TRAFFIC SIGNALS.

(a) Whenever an illuminated flashing red or yellow traffic signal is used in a traffic signal or with a traffic sign it shall require obedience as follows:

- (1) Flashing Red Stop Signal: Operators of vehicles shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering it, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.
- (2) Flashing Yellow Caution Signal: Operators of vehicles may proceed through the intersection or past such signal only with caution.

This section shall not apply at railroad grade crossings. Conduct of drivers of vehicles approaching railroad grade crossings shall be governed by Ohio R.C. 4511.61 and 4511.62.
(ORC 4511.15)

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.
(ORC 4511.99)

313.07 UNAUTHORIZED SIGNS AND SIGNALS, HIDING FROM VIEW, ADVERTISING.

(a) No person shall place, maintain or display upon or in view of any street any unauthorized sign, signal, marking or device which purports to be, is an imitation of or resembles a traffic control device or railroad sign or signal, or which attempts to direct the movement of traffic, or hides from view or interferes with the effectiveness of any traffic control device or any railroad sign or signal, and no person shall place or maintain, nor shall any public authority permit upon any street any traffic sign or signal bearing thereon any commercial advertising. This section does not prohibit either the erection upon private property adjacent to streets of signs giving useful directional information and of a type that cannot be mistaken for traffic control devices, or the erection upon private property of traffic control devices by the owner of real property in accordance with Ohio R.C. 4511.211 and 4511.432.

Every such prohibited sign, signal, marking or device is a public nuisance, and the Police Chief is authorized to remove it or cause it to be removed.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree. (ORC 4511.16)

313.08 ALTERATION, INJURY, REMOVAL OF TRAFFIC CONTROL DEVICES.

- (a) No person without lawful authority, shall do any of the following:

If a violation of subsection (a)(1) or (3) of this section causes serious physical harm to property that is owned, leased, or controlled by a state or local authority, the offender is guilty of a felony and shall be prosecuted under appropriate state law.

- (2) Except as otherwise provided in this subsection, whoever violates subsection (a)(2) of this section is guilty of a minor misdemeanor. (ORC 4511.17)

313.09 DRIVER'S DUTIES UPON APPROACHING AMBIGUOUS OR NON-WORKING TRAFFIC SIGNAL.

(a) The driver of a vehicle who approaches an intersection where traffic is controlled by traffic control signals shall do all of the following, if the signal facing the driver either exhibits no colored lights or colored lighted arrows or exhibits a combination of such lights or arrows that fails to clearly indicate the assignment of right of way:

(a) Upon all roadways of sufficient width, a vehicle shall be driven upon the right half of the roadway, except as follows:

- (1) When overtaking and passing another vehicle proceeding in the same direction, or when making a left turn under the rules governing such movements;
- (2) When an obstruction exists making it necessary to drive to the left of the center of the highway; provided, any person so doing shall yield the right of way to all vehicles traveling in the proper direction upon the unobstructed portion of the highway within such distance as to constitute an immediate hazard;
- (3) When driving upon a roadway divided into three or more marked lanes for traffic under the rules applicable thereon;
- (4) When driving upon a roadway designated and posted with signs for one-way traffic;
- (5) When otherwise directed by a police officer or traffic control device.

(b) Upon all roadways any vehicle proceeding at less than the normal speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtaking and passing another vehicle proceeding in the same direction or when preparing for a left turn.

(c) Upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, no vehicle shall be driven to the left of the center line of the roadway, except when authorized by official traffic control devices designating certain lanes to the left of the center of the roadway for use by traffic not otherwise permitted to use the lanes, or except as permitted under subsection (a) (2) hereof.

This subsection shall not be construed as prohibiting the crossing of the center line in making a left turn into or from an alley, private road or driveway.

(d) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (a) Operators of vehicles proceeding in opposite directions shall pass each other to the right, and upon roadways having width for not more than one line of traffic in each direction, each operator shall give to the other one-half of the main traveled portion of the roadway or as nearly one-half as is reasonably possible.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. (a) The following rules govern the overtaking and passing of vehicles proceeding in the same direction:

- (1) The operator of a vehicle overtaking another vehicle proceeding in the same direction shall, except as provided in subsection (a)(3) hereof, signal to the vehicle to be overtaken, shall pass to the left thereof at a safe distance, and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.
- (2) Except when overtaking and passing on the right is permitted, the operator of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle at the latter's audible signal, and the operator shall not increase the speed of the operator's vehicle until completely passed by the overtaking vehicle.
- (3) The operator of a vehicle overtaking and passing another vehicle proceeding in the same direction on a divided street or highway as defined in Section 331.31, a limited access highway as defined in Ohio R.C. 5511.02 or a highway with four or more traffic lanes, is not required to signal audibly to the vehicle being overtaken and passed.

(a) No vehicle shall be driven to the left of the center of the roadway in overtaking and passing traffic proceeding in the same direction, unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made, without interfering with the safe operation of any traffic approaching from the opposite direction or any traffic overtaken. In every event the overtaking vehicle must return to an authorized lane of travel as soon as practicable and in the event the passing movement involves the use of a lane authorized for traffic approaching from the opposite direction before coming within 200 feet of any approaching vehicle.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. - (2) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct or tunnel;
- (3) When approaching within 100 feet of or traversing any intersection or railroad grade crossing.

(b) This section does not apply to vehicles upon a one-way roadway, upon a roadway where traffic is lawfully directed to be driven to the left side or under the conditions described in Section 331.01(a)(2).

331.07 HAZARDOUS OR NO PASSING ZONES.

(a) Hazardous zones, commonly called "no passing zones," shall consist of an auxiliary yellow line marked on the roadway pavement and placed parallel to the normal center line or marked lane line. When the auxiliary yellow line appears on the left side in the driver's lane of travel and to the right of the normal center line or marked lane line, no driver shall drive across the auxiliary yellow line to overtake and pass another vehicle proceeding in the same direction. When auxiliary yellow lines appear on both sides of the normal center line or marked lane line, drivers proceeding in either direction shall not drive across such auxiliary yellow lines to overtake and pass another vehicle proceeding in the same direction. No driver shall, at any other time, drive across the yellow auxiliary line when it appears in the driver's lane of travel, except to make a lawfully permitted left-hand turn under the rules governing such movement. No passing signs may also be erected facing traffic to indicate the beginning and end of each no passing zone.

When appropriate signs or markings indicating hazardous or no passing zones are in place and clearly visible, every operator of a vehicle shall obey the directions of the signs or markings, notwithstanding the distance set out in Section 331.06.

(b) Except as otherwise provided in this subsection, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. - (1) A vehicle shall be driven, as nearly as is practicable, entirely within a single lane or line of traffic and shall not be moved from such lane or line until the driver has first ascertained that such movement can be made with safety.
- (2) Upon a roadway which is divided into three lanes and provides for two-way movement of traffic, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or when preparing for a left turn, or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is posted with signs to give notice of such allocation.
- (3) Official signs may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway, or restricting the use of a particular lane to only buses during certain hours or during all hours, and drivers of vehicles shall obey the directions of such signs.
- (4) Official traffic control devices may be installed prohibiting the changing of lanes on sections of roadway and drivers of vehicles shall obey the directions of every such device.

The driver of any truck, or motor vehicle drawing another vehicle, when traveling upon a roadway outside a business or residence district shall maintain a sufficient space, whenever conditions permit, between such vehicle and another vehicle ahead so an overtaking motor vehicle may enter and occupy such space without danger. This paragraph does not prevent overtaking and passing nor does it apply to any lane specially designated for use by trucks.

Motor vehicles being driven upon any roadway outside of a business or residence district in a caravan or motorcade, shall maintain a sufficient space between such vehicles so an overtaking vehicle may enter and occupy such space without danger. This paragraph shall not apply to funeral processions.

Whenever practicable the left turn shall be made in that portion of the intersection to the left of the center of the intersection.
- (3) At any intersection where traffic is restricted to one direction on one or more of the roadways, the driver of a vehicle intending to turn left at any such intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle, and after entering the intersection the left turn shall be made so as to leave the intersection, as nearly as practicable, in the left-hand lane of the roadway being entered lawfully available to the traffic moving in that lane.
- (4) Markers, buttons or signs may be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when such markers, buttons or signs are so placed, no operator of a vehicle shall turn such vehicle at an intersection other than as directed and required by such markers, buttons or signs.

When a person submits to a blood test at the request of a law enforcement officer under Ohio R.C. 4511.191, only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, or alcohol and drug content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this subsection may refuse to withdraw blood under this subsection, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

This subsection does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of subsection (b) of this section or for an equivalent offense that is substantially equivalent to that subsection.
- (3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis. The person tested may have a physician, a registered nurse, or a qualified technician, chemist or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. The form to be read to the person to be tested, as required under Ohio R.C. 4511.192, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

- C. Subsection (e)(4)B. of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that subsection, from considering evidence or testimony that is not otherwise disallowed by subsection (e)(4)B. of this section. The laboratory report shall contain all of the following:
- A. The signature, under oath, of any person who performed the analysis;
 - B. Any findings as to the identity and quantity of alcohol, a drug of abuse, or a combination of them that was found;

- C. A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;
 - D. An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the Department of Health.
- (2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in subsection (f)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.
 - (3) A report of the type described in subsection (f)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(g) Immunity From Liability For Withdrawing Blood. Except as otherwise provided in this subsection, any physician, registered nurse or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this subsection is not available to a person who withdraws blood if the person engaged in willful or wanton misconduct.

(h) General OVI Penalty.

- (1) Whoever violates any provision of subsections (a)(1) to (9) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. The court shall sentence the offender under Ohio R.C. Chapter 2929, and this Traffic Code, except as otherwise authorized or required by subsections (h)(1)A. to E. of this section:
 - A. Except as otherwise provided in subsections (h)(1)B., C., D. or E. of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

1. If the sentence is being imposed for a violation of subsections (a)(1), (2), (3), (4) or (5) of this section, a mandatory jail term of three consecutive days. As used in this subsection, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.
The court may suspend the execution of the three-day jail term under this subsection if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to Ohio R.C. 2929.25 and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under Ohio R.C. 3793.10. The court also may suspend the execution of any part of the three-day jail term under this subsection if it places the offender under a community control sanction pursuant to Ohio R.C. 2929.25 for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 3793 by the Director of Alcohol and Drug Addiction Services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.
2. If the sentence is being imposed for a violation of subsection (a)(6), (7), (8) or (9) of this section, except as otherwise provided in this subsection, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to Ohio R.C. 3793.10. As used in this subsection, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a drivers' intervention program, the court shall sentence the offender to a mandatory jail term of at least six

consecutive days.

The court may require the offender, under a community control sanction imposed under Ohio R.C. 2929.25, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 3793 by the Director of Alcohol and Drug Addiction Services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

3. In all cases, a fine of not less than two hundred fifty dollars (\$250.00) and not more than one thousand dollars (\$1,000).
 4. In all cases, a class five license suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege from the range specified in division (A)(5) of Ohio R.C. 4510.02. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13.
- B. Except as otherwise provided in subsection (h)(1)E. of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to one violation of subsection (a) or (b) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the following:
1. If the sentence is being imposed for a violation of subsection (a)(1), (2), (3), (4) or (5) of this section, a mandatory jail term of ten consecutive days. The court shall impose the ten-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of house arrest with electronic monitoring. The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.
In addition to the jail term or the term of house arrest with electronic monitoring and jail term, the court may require the offender to attend a drivers' intervention program that is certified pursuant to Ohio R.C. 3793.10. If the operator of the program determines that the offender is alcohol dependent, the program shall notify the court and, subject to subsection (k) of this section, the court shall order the offender to obtain treatment through an alcohol and drug addiction program authorized by Ohio R.C. 3793.02.

2. If the sentence is being imposed for a violation of subsection (a)(6), (7), (8) or (9) of this section, except as otherwise provided in this subsection, a mandatory jail term of twenty consecutive days. The court shall impose the twenty-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring. The court may impose a jail term in addition to the twenty-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring and jail term, the court may require the offender to attend a drivers' intervention program that is certified pursuant to Ohio R.C. 3793.10. If the operator of the program determines that the offender is alcohol dependent, the program shall notify the court, and, subject to subsection (k) of this section, the court shall order the offender to obtain treatment through an alcohol and drug addiction program authorized by Ohio R.C. 3793.02.

3. In all cases, notwithstanding the fines set forth in Section 303.99, a fine of not less than three hundred fifty dollars (\$350.00) and not more than one thousand five hundred dollars (\$1,500).
4. In all cases, a class four license suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of Ohio R.C. 4510.02. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13. (ORC 4511.19)
5. In all cases, if the vehicle is registered in the offender's name, immobilization of the vehicle involved in the offense for ninety days in accordance with Ohio R.C. 4503.233 and impoundment of the license plates of that vehicle for ninety days. (ORC 4511.193)

- C. Except as otherwise provided in subsection (h)(1)E. of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to two violations of subsection (a) or (b) of this section or other equivalent offenses is guilty of a misdemeanor. The court shall sentence the offender to all of the following:

1. If the sentence is being imposed for a violation of subsection (a)(1), (2), (3), (4) or (5) of this section, a mandatory jail term of thirty consecutive days. The court shall impose the thirty-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of house arrest with electronic monitoring.

- The court may impose a jail term in addition to the thirty-day mandatory jail term. Notwithstanding the jail terms set forth in Section 303.99, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.
2. If the sentence is being imposed for a violation of subsection (a)(6), (7), (8) or (9) of this section, a mandatory jail term of sixty consecutive days. The court shall impose the sixty-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of electronically monitored house arrest. The court may impose a jail term in addition to the sixty-day mandatory jail term. Notwithstanding the terms of imprisonment set forth in Section 303.99, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.
 3. In all cases, notwithstanding the fines set forth in Section 303.99, a fine of not less than five hundred fifty dollars (\$550.00) and not more than two thousand five hundred dollars (\$2,500).
 4. In all cases, a class three license suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(3) of Ohio R.C. 4510.02. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13. (ORC 4511.19)
 5. In all cases, if the vehicle is registered in the offender's name, criminal forfeiture of the vehicle involved in the offense in accordance with Ohio R.C. 4503.234. Subsection (h)(5) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this subsection. (ORC 4511.193)
 6. In all cases, participation in an alcohol and drug addiction program authorized by Ohio R.C. 3793.02, subject to subsection (k) of this section.
- D. Except as otherwise provided in subsection (h)(1)E. of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to three or more violations of subsection (a) or (b) of this section or other equivalent offenses is guilty of a felony of the fourth degree and shall be prosecuted under appropriate state law.
- E. An offender who previously has been convicted of or pleaded guilty to a violation of Ohio R.C. 4511.19(A) that was a felony, regardless of when the violation and the conviction or guilty plea occurred, is guilty of a felony of the third degree and shall be prosecuted under appropriate state law.

(2) An offender who is convicted of or pleads guilty to a violation of subsection (a) of this section and who subsequently seeks reinstatement of the driver's or occupational driver's license or permit or nonresident operating privilege suspended under this section as a result of the conviction or guilty plea shall pay a reinstatement fee as provided in division (F)(2) of Ohio R.C. 4511.191.

(3) If an offender is sentenced to a jail term under subsection (h)(1)B.1. or 2. or (h)(1)C.1. or 2. of this section and if, within sixty days of sentencing of the offender, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the term, the offender will not be able to begin serving that term within the sixty-day period following the date of sentencing, the court may impose an alternative sentence under this subsection that includes a term of house arrest with electronic monitoring.

As an alternative to a mandatory jail term of ten consecutive days required by subsection (h)(1)B.1. of this section, the court, under this subsection, may sentence the offender to five consecutive days in jail and not less than eighteen consecutive days of house arrest with electronic monitoring. The cumulative total of the five consecutive days in jail and the period of house arrest with electronic monitoring shall not exceed six months. The five consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to the mandatory jail term of twenty consecutive days required by subsection (h)(1)B.2. of this section, the court, under this subsection, may sentence the offender to ten consecutive days in jail and not less than thirty-six consecutive days of house arrest with electronic monitoring. The cumulative total of the ten consecutive days in jail and the period of house arrest with electronic monitoring shall not exceed six months. The ten consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to a mandatory jail term of thirty consecutive days required by subsection (h)(1)C.1. of this section, the court, under this subsection, may sentence the offender to fifteen consecutive days in jail and not less than fifty-five consecutive days of house arrest with electronic monitoring. The cumulative total of the fifteen consecutive days in jail and the period of house arrest with electronic monitoring shall not exceed one year. The fifteen consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to the mandatory jail term of sixty consecutive days required by subsection (h)(1)C.2. of this section, the court, under this subsection, may sentence the offender to thirty consecutive days in jail and not less than one hundred ten consecutive days of house arrest with electronic monitoring. The cumulative total of the thirty consecutive days in jail and the period of house arrest with electronic monitoring shall not exceed one year. The thirty consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

- (4) If an offender's driver's or occupational driver's license or permit or nonresident operating privilege is suspended under subsection (h) of this section and if Ohio R.C. 4510.13 permits the court to grant limited driving privileges, the court may grant the limited driving privileges only if the court imposes as one of the conditions of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under Ohio R.C. 4503.231, except as provided in division (B) of that section.
- (5) If title to a motor vehicle that is subject to an order of criminal forfeiture under this section is assigned or transferred and division (B)(2) or (3) of Ohio R.C. 4503.234 applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealers association. The proceeds of any fine so imposed shall be distributed in accordance with division (C)(2) of that section.
- (6) As used in subsection (h) of this section, "electronic monitoring", "mandatory prison term" and "mandatory term of local incarceration" have the same meanings as in Ohio R.C. 2929.01.

(i) Vehicle Operation After Underage Alcohol Consumption Penalty. Whoever violates subsection (b) of this section is guilty of operating a vehicle after underage alcohol consumption and shall be punished as follows:

- (1) Except as otherwise provided in subsection (i)(2) of this section, the offender is guilty of a misdemeanor of the fourth degree. In addition to any other sanction imposed for the offense, the court shall impose a class six suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(6) of Ohio R.C. 4510.02.
- (2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of subsection (a) or (b) of this section or other equivalent offense, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of Ohio R.C. 4510.02.
(ORC 4511.99)

(j) Physical Control Penalty. Whoever violates subsection (d) hereof is guilty of having physical control of a vehicle while under the influence, a misdemeanor of the first degree. In addition to other sanctions imposed, the court may impose on the offender a class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(7) of Ohio R.C. 4510.02. (ORC 4511.194)

(k) Compliance With Ohio R.C. Chapter 3793 Standards.

- (1) No court shall sentence an offender to an alcohol treatment program under this section unless the treatment program complies with the minimum standards for alcohol treatment programs adopted under Ohio R.C. Chapter 3793 by the Director of Alcohol and Drug Addiction Services.

- (2) An offender who stays in a driver's intervention program or in an alcohol treatment program under an order issued under this section shall pay the cost of the stay in the program. However, if the court determines that an offender who stays in an alcohol treatment program under an order issued under this section is unable to pay the cost of the stay in the program, the court may order that the cost be paid from the court's indigent drivers' alcohol treatment fund.

(l) Appeal Does Not Stay Operation of License Suspension. If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.

(m) Conflict of Terms. All terms defined in Ohio R.C. 4510.01 apply to this section. If the meaning of a term defined in Ohio R.C. 4510.01 conflicts with the meaning of the same term as defined in Ohio R.C. 4501.01 or this Traffic Code, the term as defined in Ohio R.C. 4510.01 applies to this section. (ORC 4511.19; 4511.193)

(n) Indigent Drivers Alcohol Treatment Fund. Twenty-five dollars (\$25.00) of any fine imposed for a violation of subsection (a) hereof shall be deposited into the municipal or county indigent drivers alcohol treatment fund pursuant to Ohio R.C. 4511.193. (ORC 4511.193)

(b) It is prima-facie lawful, in the absence of a lower limit declared pursuant to Ohio R.C. 4511.21 by the Ohio Director of Transportation or Council, for the operator of a motor vehicle to operate the same at a speed not exceeding the following:

- (1) A. Twenty miles per hour in school zones during school recess and while children are going to or leaving school during the opening or closing hours, and when twenty miles per hour school speed limit signs are erected; except, that on controlled-access highways and expressways, if the right-of-way line fence has been erected

without pedestrian opening, the speed shall be governed by subsection (b)(4) hereof and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(7) hereof. The end of every school zone may be

marked by a sign indicating the end of the zone. Nothing in this section or in the manual and specifications for a uniform system of traffic control devices shall be construed to require school zones to be indicated by signs equipped with flashing or other lights, or giving other special notice of the hours in which the school zone speed limit is in effect.

- B. 1. The distance encompassed by projecting the school building lines normal to the fronting highway and extending a distance of 300 feet on each approach direction;
 2. The distance encompassed by projecting the school property lines intersecting the fronting highway and extending a distance of 300 feet on each approach direction;
 3. The distance encompassed by the special marking of the pavement for a principal school pupil crosswalk plus a distance of 300 feet on each approach direction of highway;
- Nothing in this section shall be construed to invalidate the Director's initial action on August 9, 1976, establishing all school zones at the traditional school zone boundaries defined by projecting school property lines, except when those boundaries are extended as provided in subsections (b)(1)A. and C. hereof.
- D. As used in this subsection, "crosswalk" has the meaning given that term in Section 301.09. - (8) Fifty-five miles per hour at all times on portions of freeways that are part of the interstate system and on all portions of freeways that are not part of the interstate system, but are built to the standards and specifications that are applicable to freeways that are part of the interstate system for operators of any motor vehicle weighing in excess of eight thousand pounds empty weight and any noncommercial bus;
- (9) Fifty-five miles per hour for operators of any motor vehicle weighing eight thousand pounds or less empty weight and any commercial bus at all times on all portions of freeways that are part of the interstate system and that had such a speed limit established prior to October 1, 1995, and freeways that are not part of the interstate system, but are built to the standards and specifications that are applicable to freeways that are part of the interstate system and that had such a speed limit established prior to October 1, 1995, unless a higher speed limit is established under Ohio R.C. 4511.21(L);
- (10) Sixty-five miles per hour for operators of any motor vehicle weighing eight thousand pounds or less empty weight and any commercial bus at all times on all portions of the following:
 - A. Freeways that are part of the interstate system and that had such a speed limit established prior to October 1, 1995, and freeways that are not part of the interstate system, but are built to the standards and specifications that are applicable to freeways that are part of the interstate system and that had such a speed limit established prior to October 1, 1995;
 - B. Freeways that are part of the interstate system and freeways that are not part of the interstate system but are built to the standards and specifications that are applicable to freeways that are part of the interstate system, and that had such a speed limit established under Ohio R.C. 4511.21(L);

had such a speed limit established under Ohio R.C. 4511.21(M).

(c) It is prima-facie unlawful for any person to exceed any of the speed limitations in subsection (b)(1)A. to (b)(6) hereof, or any declared pursuant to this section by the Director or local authorities and it is unlawful for any person to exceed any of the speed limitations in subsection (d) hereof. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

- (d) No person shall operate a motor vehicle upon a street or highway as follows:
- (1) At a speed exceeding fifty-five miles per hour, except upon a freeway as provided in subsection (b)(10) hereof;
 - (2) At a speed exceeding sixty-five miles per hour upon a freeway as provided in subsection (b)(10) hereof except as otherwise provided in subsection (d)(3) hereof;

 - (5) At a speed exceeding sixty-five miles per hour upon a freeway for which such a speed limit has been established through the operation of Ohio R.C. 4511.21(L)(3);
 - (6) At a speed exceeding the posted speed limit upon a freeway for which the Director has determined and declared a speed limit pursuant to Ohio R.C. 4511.21(I)(2).

(e) In every charge of violation of this section the affidavit and warrant shall specify the time, place and speed at which the defendant is alleged to have driven, and in charges made in reliance upon subsection (c) hereof also the speed which subsections (b)(1)A. to (b)(6) hereof, or a limit declared pursuant to this section declares is prima-facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to a stop within the assured clear distance ahead the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(f) When a speed in excess of both a prima-facie limitation and a limitation in subsection (d)(1), (2), (3), (4), (5), or (6) hereof is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both subsections (b)(1)A. to (b)(6) hereof, or of a limit declared pursuant to this section by the Director or local authorities, and of the limitation in subsection (d)(1), (2), (3), (4), (5), or (6) hereof. If the court finds a violation of subsection (b)(1)A. to (b)(6) hereof, or a limit declared pursuant to this section has occurred, it shall enter a judgment of conviction under such subsection and dismiss the charge under subsection (d)(1), (2), (3), (4), (5), or (6) hereof. If it finds no violation of subsections (b)(1)A. to (b)(6) hereof or a limit declared pursuant to this section, it shall then consider whether the evidence supports a conviction under subsection (d)(1), (2), (3), (4), (5), or (6) hereof.

(g) Points shall be assessed for violation of a limitation under subsection (d) hereof in accordance with Ohio R.C. 4510.036.

It is prima-facie unlawful for any person to exceed the speed limits posted upon such signs.

- (a) Every motor vehicle, other than a motorcycle, when operated upon a street or highway, shall be equipped with brakes adequate to control the movement of and to stop and hold such motor vehicle, including two separate means of applying the brakes, each of which means shall be effective to apply the brakes to at least two wheels. If these two separate means of applying the brakes are connected in any way, then on such motor vehicles manufactured or assembled after January 1, 1942, they shall be so constructed that failure of any one part of the operating mechanism shall not leave the motor vehicle without brakes on at least two wheels.
- (b) Every motorcycle, when operated upon a street or highway, shall be equipped with at least one adequate brake, which may be operated by hand or by foot.

- (c) Every motorized bicycle shall be equipped with brakes meeting the rules adopted by the Ohio Director of Public Safety under Ohio R.C. 4511.521.
- (d) When operated upon the streets or highways of this Municipality, the following vehicles shall be equipped with brakes adequate to control the movement of and to stop and to hold the vehicle designed to be applied by the driver of the towing motor vehicle from its cab, and also designed and connected so that, in case of a breakaway of the towed vehicle, the brakes shall be automatically applied:
- (1) Every trailer or semitrailer, except a pole trailer, with an empty weight of two thousand pounds or more, manufactured or assembled on or after January 1, 1942;

- (f) Every vehicle and combination of vehicles, except motorcycles and motorized bicycles, and except trailers and semitrailers of a gross weight of less than 2,000 pounds, and pole trailers, shall be equipped with parking brakes adequate to hold the vehicle on any grade on which it is operated, under all conditions of loading, on a surface free from snow, ice or loose material. The parking brakes shall be capable of being applied in conformance with the foregoing requirements by the driver's muscular effort or by spring action or by equivalent means. Their operation may be assisted by the service brakes or other sources of power provided that failure of the service brake actuation system or other power assisting mechanism will not prevent the parking brakes from being applied in conformance with the foregoing requirements. The parking brakes shall be so designed that when once applied they shall remain applied with the required effectiveness despite exhaustion of any source of energy or leakage of any kind.
- (g) The same brake drums, brake shoes and lining assemblies, brake shoe anchors, and mechanical brake shoe actuation mechanism normally associated with the wheel brake assemblies may be used for both the service brakes and the parking brakes. If the means of applying the parking brakes and the service brakes are connected in any way, they shall be so constructed that failure of any one part shall not leave the vehicle without operative brakes.
- (h) Every motor vehicle or combination of motor-drawn vehicles shall be capable at all times and under all conditions of loading of being stopped on a dry, smooth, level road free from loose material, upon application of the service or foot brake, within the following specified distances, or shall be capable of being decelerated at a sustained rate corresponding to these distances:

| Brakes not on all four wheels | 40 | 10.7 |

- (i) All brakes shall be maintained in good working order and shall be so adjusted as to operate as equally as practicable with respect to the wheels on opposite sides of the vehicle.
- (j) Whoever violates this section is guilty of a minor misdemeanor on a first offense; on a second offense within one year after the first offense, the person is guilty of a misdemeanor of the fourth degree; on each subsequent offense within one year after the first offense, the person is guilty of a misdemeanor of the third degree. - (3) "Special license plates" and "removable windshield placard" mean any license plates or removable windshield placard or temporary removable windshield placard issued under Ohio R.C. 4503.41 or 4503.44, and also mean any substantially similar license plates or removable windshield placard or temporary removable windshield placard issued by a state, district, country or sovereignty. 351.06 SELLING, WASHING OR REPAIRING VEHICLE UPON ROADWAY.

No person shall stop, stand or park a vehicle upon any roadway for the principal purpose of:

- (a) Displaying such vehicle for sale;
- (b) Washing, greasing or repairing such vehicle except repairs necessitated by an emergency.

351.07 UNATTENDED VEHICLE: DUTY TO STOP ENGINE, REMOVE KEY, SET BRAKE AND TURN WHEELS.

No person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine, locking the ignition, removing the key from the ignition, effectively setting the parking brake, and, when the motor vehicle is standing upon any grade, turning the front wheels to the curb or side of the highway.

The requirements of this section relating to the stopping of the engine, locking of the ignition and removing the key from the ignition of a motor vehicle shall not apply to an emergency vehicle or a public safety vehicle. (ORC 4511.661)

351.08 OPENING VEHICLE DOOR ON TRAFFIC SIDE.

No person shall open the door of a vehicle on the side available to moving traffic unless and until it is reasonably safe to do so, and can be done without interfering with the movement of other traffic, nor shall any person leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers.

351.09 TRUCK LOADING ZONES.

No person shall stop, stand or park a vehicle for any purpose or length of time other than for the expeditious unloading and delivery or pickup and loading of materials in any place marked as a truck loading zone during hours when the provisions applicable to such zones are in effect. In no case shall the stop for loading and unloading of materials exceed thirty minutes.

351.10 BUS STOPS AND TAXICAB STANDS.

(a) No person shall stop, stand or park a vehicle other than a bus in a bus stop, or other than a taxicab in a taxicab stand when any such stop or stand has been officially designated and appropriately posted, except that the driver of a passenger vehicle may temporarily stop therein for the purpose of and while actually engaged in loading or unloading passengers when such stopping does not interfere with any bus or taxicab waiting to enter or about to enter such zone, and then only for a period not to exceed three minutes, if such stopping is not prohibited therein by posted signs.

(b) The operator of a bus shall not stop, stand or park such vehicle upon any street at any place for the purpose of loading or unloading passengers or their baggage other than at a bus stop so designated and posted as such, except in case of an emergency.

(c) The operator of a bus shall enter a bus stop on a public street in such a manner that the bus when stopped to load or unload passengers or baggage shall be in a position with the right front wheel of such vehicle not further than eighteen inches from the curb and the bus approximately parallel to the curb so as not to unduly impede the movement of other vehicular traffic.

(d) The operator of a taxicab shall not stand or park such vehicle upon any street at any place other than in a taxicab stand so designated and posted as such. This provision shall not prevent the operator of a taxicab from temporarily stopping in accordance with other stopping or parking provisions at any place for the purpose of and while actually engaged in the expeditious loading or unloading of passengers.

351.11 PARKING IN ALLEYS AND NARROW STREETS; EXCEPTIONS.

No person shall stop, stand or park any vehicle upon a street, other than an alley, in such a manner or under such conditions as to leave available less than ten feet of the width of the roadway for free movement of vehicular traffic, except that a driver may stop temporarily during the actual loading or unloading of passengers or when directed to by a police officer or traffic control signal.

Except as otherwise provided by law, no person shall stop, stand or park a vehicle within an alley except while actually loading and unloading, and then only for a period not to exceed thirty minutes.

351.12 PROHIBITION AGAINST PARKING ON STREETS OR HIGHWAYS.

Upon any street or highway outside a business or residence district, no person shall stop, park or leave standing any vehicle, whether attended or unattended, upon the paved or main traveled part of the street or highway if it is practicable to stop, park or so leave such vehicle off the paved or main traveled part of such street or highway. In every event, a clear and unobstructed portion of the street or highway opposite such standing vehicle shall be left for the free passage of other vehicles, and a clear view of such stopped vehicle shall be available from a distance of 200 feet in each direction upon such street or highway.

This section does not apply to the driver of any vehicle which is disabled while on the paved or improved or main traveled portion of a street or highway in such manner and to such extent that it is impossible to avoid stopping and temporarily leaving the disabled vehicle in such position. (ORC 4511.66)

351.13 TRUCK PARKING ON STREETS PROHIBITED; EXCEPTIONS.

No person shall park or cause to be parked for any period of time during any part of the day or night on any street in the City any truck, tractor, trailer, moving van or any other motor vehicle rated by the manufacturer one ton capacity or more.

The provisions of this section shall not apply to parking necessitated by an emergency, nor to parking while loading or unloading merchandise, nor to parking during the time when the driver or operator thereof has stopped to eat. However, such parking for eating purposes shall in no event be for a longer period than one hour. These exceptions are subject to the restrictions set forth in Section 339.02(a) and Section 339.03.

Any movement of the truck, tractor, trailer, moving van or any other motor vehicle rated by the manufacturer one ton capacity or more of less than 500 feet from its original location under the exception for parking for eating purposes shall be construed as a violation of this section.

(Ord. 129-92. Passed 12-21-92.)

351.14 SNOW EMERGENCY.

(a) Whenever, during any period of twenty-four hours or less, there is an accumulation of snow of an average depth of three inches or more an emergency is declared to exist in that such accumulation of snow constitutes a serious public hazard impairing transportation, the movement of food and fuel supplies, medical care, fire, health and police protection and other vital facilities of the City. Such emergency shall continue until an announcement is made by the Director of Public Safety and Service that snow removal operations have been completed.

(b) Whenever such an emergency exists, the Director of Public Safety and Service shall announce the emergency by local press and/or radio and such emergency shall become effective at a time designated by the Director, but not sooner than one hour following the first announcement. Such announcement shall constitute notice to the general public of the existence of the emergency; provided, however, that the owners and operators shall have full responsibility to determine existing weather conditions and to comply with emergency parking regulations.

During the existence of the emergency, no person shall park or cause to be parked, permit to remain parked or abandon or leave unattended any vehicle on any of the streets. However, vehicles may be parked for a period of not longer than fifteen minutes for actual loading or unloading of passengers or property; provided that snow removal equipment is not being operated on such street and that no other ordinance restricting parking is violated thereby.

(c) Any motor vehicle parked in violation of this section is hereby declared to be a public nuisance and may be removed from the street and impounded at such place as may be directed by the Director of Public Safety and Service at the cost and expense of the owner thereof. (Ord. 109-63. Passed 1-13-64.)

C. 4737.05 to 4737.12; or regulated under authority of the Municipality; or if the property on which the motor vehicle is left is not subject to licensure or regulation by any governmental authority, unless the person having the right to the possession of the property can establish that the motor vehicle is part of a bona-fide commercial operation; or if the motor vehicle is a collector's vehicle.

Persons may store or keep by unrestricted method any collector's vehicle as defined in Ohio R.C. 4501.01(F) on private property with the permission of the person having the right to the possession of the property; except that such person having such permission shall conceal, by means of buildings, fences, vegetation, terrain or other suitable obstruction, any unlicensed collector's vehicle stored in the open.

The Fire Prevention Officer and the Health Inspector may send notice by certified mail with return receipt requested, to the person having the right to the possession of the property on which a junk motor vehicle is left, that within ten days of receipt of the notice, the junk motor vehicle either shall be covered by being housed in a garage or other suitable structure or shall be removed from the property.

No person shall willfully leave a junk motor vehicle uncovered in the open for more than ten days after receipt of a notice as provided in this section. The fact that a junk motor vehicle is so left is prima-facie evidence of willful failure to comply with the notice. Each subsequent period of thirty days that a junk motor vehicle continues to be so left constitutes a separate offense.

Any junk motor vehicle parked or stored in violation of this section may be removed to a motor vehicle pound or other place of storage by any police officer or the Fire Prevention Officer and shall not be released except upon payment of towing and storage charges. Vehicles so removed may be disposed of according to provisions of Ohio R.C. 737.32.

Whoever violates any provision of this section is guilty of a minor misdemeanor on a first offense; a misdemeanor of the fourth degree on a second offense and a misdemeanor of the third degree on each subsequent offense.
