## CONDITIONS GOVERNING WATER/SEWER AND GARBAGE SERVICE

1. The Superintendent or other proper agent of the Water Department shall have access at all reasonable hours to any part of the premises to which water is supplied, for the purpose of conducting the business of the Department.
2. The Water Department shall have the right at any time, without notice, to shut off water in any or all of its mains in case of fire or for making repairs or extensions or for delinquent water rent or any other necessary purposes.
3. The Water Department undertakes only to use reasonable care and diligence to supply a constant supply of water through its mains and is manifestly to every interest of the Department that no break, failure or accident should occur but that in the event of any break, failure or accident the Department shall not be liable to any owner or person for any loss or damage resulting from any such break, failure or accident, or if water is ordered off by property owner at curb, Water Department will not be responsible for leaks or damage from leaks due to faulty valves.
4. All service lines from the main to the building are the property of the owners and must be installed, maintained and replaced at the owner's expense. The Water Department reserves the right to discontinue service if leaking service lines are not repaired within the ten-day warning period.
5. Only the Water Department is authorized to make taps and connections to the mains and all other work must be done by a licensed plumber.
6. **Every property served must have a separate curb stop, which shall be set approximately one foot inside the curb line. The curb box and stop are the property of the owner and must be maintained in operating condition by him. The curb box must be set at right angle to the main.**
7. Every property must have a shut-off valve on the service line just as it enters the building on the inlet side of the meter. This valve must be maintained in operating condition by the owner.
8. All meters are the property of the Water Department, but the owner is responsible for protecting the meter from freezing. Cost of repairs to frozen meters must be paid by the owner.
9. The size of the meter furnished will be determined by the Water Department.
10. The owner shall receive all water bills. If the owner asks that a tenant receive the water bill, that arrangement shall be for convenience only. **The owner is always personally responsible for all water, sewer and trash charges and delinquencies.** Also, no water bills will be sent to the tenant unless said tenant agrees to be jointly and severally liable for all water charges.
11. If the property is sold under a land contract arrangement, both the record owner and the land contract vendee shall be jointly and severally liable for all water charges and delinquencies.
12. No deduction or rebate shall be made to any owner because of leakage, as it is the owner's responsibility to keep all pipes and water consuming devices in repair and in proper operating condition.
13. **It shall be the responsibility of a person or persons acquiring a property to see that all water and sewer bills are paid. Said bills are a charge against the property and must be paid or assumed by the new owner.**
14. No person, property owner, firm or corporation or entity of any kind who applies for water service through the Municipal Waterworks System of the City of Alliance shall receive the same until any and all outstanding water or sewer bills, including current charges and delinquencies, for all properties owned or occupied by said applicant, currently or in the past, have been paid in full to the satisfaction of the Safety Service Director or his agents.
15. Garbage service is mandatory for single and duplex residential units within the Alliance City corporation limits.
16. Service can only be stopped when registered as vacant through Alliance Code Enforcement, 504 E. Main St. 330-829-2235.
17. Customers are responsible for the carts provided as part of the garbage service.
18. **Money paid on accounts are applied to garbage first, sewer second, and water third.**

I acknowledge that I have received the Conditions Governing Water/Sewer and Garbage Service.
