

Address Request Form

The following items are required shown on a drawing before an address is assigned:

- Show the lot lines with dimensions of the site.
- Label the lot or outlot number of the site. (Parcel number, too, if known.)
- Show the location of existing/proposed structures on the site. Label which way is the front. (Especially helpful for corner lots.)
- Show all existing/proposed drives on the site.

Requested By: _____
Owner/Owner's Representative

Address: _____
