

Silver Park

With hilly terrain, a meandering stream and beautiful Kidwell Lake, Silver Park is the crown jewel of Alliance City Parks. The 53-acre expanse is great for duck feeding, exercising and exploring. It also has two large playgrounds, six tennis courts, two ballfields and a basketball court. Rentable facilities include a genuine log cabin with a fireplace and kitchen, Miller Pavilion with two fireplaces, and the Rustic and Jaycee shelters. All have picnic tables and grills.
