CONDITIONAL USE CHECKLIST

Project: _____ Date: _____

The following information **MUST** be included with all requests for Conditional Use submitted for review and processing in order to constitute a complete Conditional Use package. Incomplete applications will not be processed.

Complete Conditional Use Package Includes:

- ____ This completed form
- ____ Planning Commission Application
- ____ 1 Set of Addressed, Stamped Envelopes for each parcel adjacent and across from site
- ____ 10 Copies of the Plan
- ____ 1 Reduced Copy of Plans 11"x17"
- ____ Electronic (PDF) Set of Plans

Please check the following items to ensure the plan has complied with the City of Alliance's Conditional Use Requirements. These are the minimum requirements. The applicant is responsible to provide any and all other information that is pertinent to the proposed Conditional Use change. All items must be checked unless an item is not applicable to this particular project; whereas, "N/A" should be written beside the box. Failure to include all applicable items will constitute an incomplete submittal.

Plan Requirements:

- All sheets must be either 24"x36" or 18"x24". A larger sheet size must be approved prior to submittal.
- The drawing must be appropriate for the detail of the plan. The scale must be either 1"=10', 20', 30', 40', 50', 60' or 100'. A different drawing scale must be approved prior to submittal.
- Include a North arrow.
- Distinguish the arrow for Conditional use.
- State the proposed Use.
- Label the site's parcel number, City Lot or Outlot number, zoning category, owner's name, and acreage of site.
- Label adjacent and across from the site properties' parcel number, City Lot or Outlot numbers, zoning category, owner's names.

- Show the location of the parcel with respect to the intersection of two roadways (this may be done with a dimensional tie).

If the Conditional Use Permit Application is approved, a site plan must be submitted for Planning Commissions approval. The site plan may be submitted with the Conditional Use Permit Application, but will not be considered unless the Conditional Use is approved.

The Engineering & Building Department will review the Conditional Use Request when it has been processed. If there are any comments, the applicant will receive the comments by fax and mail. Three copies of the revised plan must be submitted with a response letter addressing each comment. If a response letter is not received, the plan will not be reviewed. Ample time should be given to allow for review of the resubmittals. *(The week of Planning Commission is typically insufficient time to review the resubmittals prior to Planning Commission).*
